

Students must have a drug screen completed before admission into a healthcare program.

- Drug screens must be completed at TriHealth Occupational Medicine Center locations. results will be sent directly to us.
- TriHealth Occupational Medicine requires an **Authorization to Treat form** (contact the HPA office for the form.)
- TriHealth Occupational Medicine does not accept insurance for payment.
- The cost of the drug screen is \$66.00. Payment is the student's *responsibility*.
- A positive drug screen result or refusal to complete a drug screen will prevent admission.*

The test must be a minimum 10-panel drug screen, including All Drugs Listed Below:

- Amphetamines
- Cocaine Metabolite
- Marijuana Metabolite
- Opiates
- Phencyclidine
- Barbiturates
- Benzodiazepines
