

AYER SHIRLEY REGIONAL SCHOOL DISTRICT
Hand Sanitizer Declination Form

Dear Parents,

In accordance with state and local laws and regulations the Ayer Shirley Regional School District will be using hand sanitizer that contains at least 60% alcohol. We realize some students are not able to use hand sanitizer because of medical issues. Hand sanitizer is not meant to replace regular hand washing practices of soap and water but it is an effective alternative for cleaning hands and it is recommended as an alternative to soap and water by the Centers for Disease and the Massachusetts Department of Public Health.

Please fill out this form if you DO NOT want your child to use hand sanitizer while at school or when soap and water are not available.

Child's name _____ Grade _____
Parent signature _____ Date _____
