- Arrange for a tour of the school including a visit to a classroom while in session.
- Schedule an appointment with an admissions representative. Bring a transcript.
- Schedule an appointment with a financial advisor.
- Schedule a visit to the college department if your major is already decided.
- Walk around the campus and take note of the student morale and helpfulness.
- Pick up copies of the campus newspaper.
- When you get home, write down your impressions and put into a college folder.
