Baldwin County Elementary Curriculum Resources
1st Grade

District-supported curriculum programs and materials are outlined below. The shaded materials are the adopted, core instructional materials and are *non-negotiable*.

Program	Description
AMSTI Science	**AMSTI**, formally the Alabama Math, Science, and Technology Initiative, is the Alabama Department of Education's initiative to improve STEM teaching statewide, including improvements in the individual, as well as the integrated, STEM subjects. AMSTI supports educators and students in learning STEM through doing STEM by providing teaching material, professional learning, resources, and onsite support. **LOCATION/ACCESS:** Classrooms of participating teachers on each campus
Best Friends Series	**The Best Friends Series** provides guidelines, lessons, and resources for making every read-aloud experience intentional and instructional to engage students in deep thinking about fiction and nonfiction books. Students are exposed to a small, carefully curated collection that you repeatedly turn to for specific teaching purposes. **LOCATION/ACCESS:** Local Reading Specialists room/storage on each campus
BrainPop/ BrainPop Jr.	**BrainPop/BrainPop Jr.** offer engaging animated videos, games, activities, and instructional resources aligned to various content standards. **LOCATION/ACCESS:** Online, available through the student portal
Bridges Math Intervention	**Bridges Intervention** provides targeted instruction and assessment for essential K–5 mathematics skills within a tiered system of support. The small-group instruction and ongoing progress monitoring are intended to complement regular math instruction. Students work with models that spur thinking and build confidence—starting with manipulatives, moving to two-dimensional representations and then mental images. Each focused, 30-minute session is matched to student needs. **LOCATION/ACCESS:** Stored on each campus (locations vary)
Daily Math Fluency Center Kit	**Daily Math Fluency Center Kits** provides center activities and materials to reinforce and support students' skill and mathematical strategy mastery. **LOCATION/ACCESS:** Classrooms of every teacher responsible for teaching Math on each campus

Daily Math Fluency Kit	**Daily Math Fluency Kits** teach and reinforce strategies that increase students' number sense, ability to think flexibly about numbers, and build a strong foundation of mathematical reasoning for future math success. **LOCATION/ACCESS:** Classrooms of every teacher responsible for teaching Math on each campus
Daily Math Fluency Intervention Kit	**Daily Math Fluency Intervention Kits** provide targeted instruction through the use of Math Talks and Number Strings to build numeracy skills in students who are struggling with core number concepts. **LOCATION/ACCESS:** Storage locations vary by campus as materials are available on an as needed basis for checkout by teachers
Deep Space Sparkle	**Deep Space Sparkle** is an online site offering elementary art lesson plans and teaching resources. **LOCATION/ACCESS:** Elementary Art teachers only have access to the site, https://www.deepspacesparkle.com/.
Discovery Education	**Discovery Education** is a standards-based digital curriculum resource for K–12 classrooms. The program provides teachers and students access to digital content, such as videos and images, as well as text resources. The district uses the program primarily to support Science instruction, but teachers have the autonomy to use the program to support other content areas, as well. **LOCATION/ACCESS:** Online, available through the student portal
Do the Math	**Do the Math** is a research-based math intervention program designed to support students who are struggling with elementary arithmetic. With an emphasis on Number and Operations, the program helps students build a strong foundation in computation, number sense, and problem solving for immediate and long-term learning. **LOCATION/ACCESS:** Classrooms of every teacher responsible for teaching Math on each campus
Edge	**Edge** is a reading curriculum designed to support struggling readers. Scholastic Edge features high-interest, age-appropriate books to meet students where they are. Helpful text features like glossaries, labels, and more, provide necessary scaffolding and context for striving readers. **LOCATION/ACCESS:** Local Reading Specialists room on each campus

enVision Math	**enVision Math** is the main K-6th Math curriculum. The comprehensive program combines problem-based learning and visual learning to deepen students' conceptual understanding. **LOCATION/ACCESS:** Classrooms of every teacher responsible for teaching Math on each campus
F.I.R.S.T.	**F.I.R.S.T., or Foundations in Reading, Sounds, and Text**, is an online program that helps younger students develop foundational reading skills to create automatic, fluent readers with strong comprehension. Your student may refer to this program as **Ooka Island**. **LOCATION/ACCESS:** Online, available through the student portal
Forefront Early Numeracy Screener	**Forefront Early Numeracy Screener** is an assessment tools used to assess student's foundational numeracy skills. **LOCATION/ACCESS:** Classrooms of every teacher responsible for teaching Math on each campus
Freckle	**Freckle** helps teachers differentiate instruction to reach every student at their own level across Math, ELA, Social Studies, and Science. Students are always engaged and challenged, never facing material that is too difficult or too easy for them. **LOCATION/ACCESS:** Online, available through the student portal
Heggerty Phonemic Awareness Curriculum	**Heggerty Phonemic Awareness Curriculum** provides 35 weeks of daily lessons, focusing on eight phonemic awareness skills, along with two additional activities to develop letter and sound recognition, and language awareness. Lessons are designed for a classroom setting, and only take 10-12 minutes. **LOCATION/ACCESS:** Local Reading Specialists room/storage on each campus
myON News	**myON News** provides students with age appropriate news articles. Students learn about the world around them as they develop stronger digital and media literacy skills. **LOCATION/ACCESS:** Online, available through the student portal
myON Reader	**myON Reader** gives students access to thousands of enhanced digital titles—fiction, nonfiction, graphic novels, and more—at a wide range of reading levels, in English and Spanish. **LOCATION/ACCESS:** Online, available through the student portal

NSGRA Kits	**NSGRA Kits, or Next Step in Guided Reading Assessment Kits,** help teachers identify students reading levels and identify what instructional goals to focus on next. The assessments include: • Reading interest survey • Word knowledge inventory to determine appropriate word study instruction • Comprehension assessment to determine comprehension needs • Reading assessment conferences to obtain precise data on phonics, word recognition, fluency, and comprehension to determine instructional levels and identify skills and strategies to target during guided-reading lessons **LOCATION/ACCESS:** Local Reading Specialists room/storage on each campus
Open Court	**Open Court Reading (OCR)** is a research-based curriculum for grades K–5 that helps students develop reading, writing, and language arts skills. The program is based on learning theory and cognitive science, also known as the Science of Reading, and uses a systematic approach to teaching. OCR is designed to help students become strong readers, writers, and thinkers, and to prepare them for a lifetime of literacy and learning. **LOCATION/ACCESS:** Classrooms of every teacher responsible for teaching Reading/English Language Arts on each campus; Includes resources online, available through the student portal
Phonics First	**Phonics First** is a multisensory, systematic, structured, phonics-based, direct-instruction approach that emphasizes a balance of reading and spelling for mastery of phonetic and non-phonetic words. Lessons also include structured syllabication study for decoding mastery of multisyllabic words. **LOCATION/ACCESS:** Local Reading Specialists room/storage on each campus
Quaver Music	**Quaver Music** is an online curriculum offering music lesson plans and teaching resources. **LOCATION/ACCESS:** Elementary Music teachers only have access to the site, https://www.quavered.com/music/
S.P.I.R.E.	**S.P.I.R.E.** is a research-proven reading intervention program for struggling readers. It is designed to build reading success through an intensive, structured, and spiraling curriculum that incorporates phonological awareness, phonics, spelling, fluency, vocabulary, and comprehension. **LOCATION/ACCESS:** Local Reading Specialists room/storage on each campus

Scholastic Guided Reading/Content Libraries	**Scholastic Guided Reading/Content Libraries** offer small group instructional materials, including authentic texts, for reading instruction at a variety of reading levels. **LOCATION/ACCESS:** Local Reading Specialists room/storage on each campus
Secret Stories	**Secret Stories** is rooted in the Science of reading and cognitive neuroscience research. Secret Stories targets backdoor learning channels to accelerate phonics skill mastery for reading and writing. **LOCATION/ACCESS:** Local Reading Specialists room/storage on each campus
STAR 360 Assessment Suite	**STAR 360 Assessment Suite** includes STAR Reading, STAR Math, STAR Early Literacy, STAR CBM, STAR Custom, DnA, and STAR Spanish. All components guide students toward greater reading and math growth with computer adaptive and/or customizable assessments that are fast, accurate, and easy to administer. **LOCATION/ACCESS:** Online, available through the student portal
STEMscopes	**STEMscopes** is the adopted K-6th Science curriculum for the district. The program is a student-centric blended STEM learning environment where teachers are able to teach, intervene, and accelerate their diverse students. STEMscopes includes a digital platform brought to life in hands-on kits that students use to explore scientific concepts through the 5E + IA model. **LOCATION/ACCESS:** Online, available through the student portal
Studies Weekly Health	**Studies Weekly Health** is the primary Social Studies curriculum for K-6th grade. The program is an online platform that provides students multiple avenues to interact with health topics and address required state standards. **LOCATION/ACCESS:** Online, available through the student portal
Studies Weekly Social Studies	**Studies Weekly Social Studies** is the primary Social Studies curriculum for K-6th grade. The program offers a blended approach to social studies, through an online platform and printed weekly newspapers. The online platform extends learning through the use of primary sources and provides students an opportunity to respond to what is read. **LOCATION/ACCESS:** Online, available through the student portal

W.O.R.D.	**W.O.R.D., or Words Open Reading Doors,** supports K-5th grade students' vocabulary acquisition and deepens their comprehension. The online program focuses on teaching new words in context across the content areas for maximum retention and increased applicability. **LOCATION/ACCESS:** Online, available through the student portal
