Norwell High Fourth Wall Players

Please join the NHS Fourth Wall Players for their first show of the season! ***Guys and Dolls*** is musical comedy about big city gamblers and the women who love them. It intertwines the tales of high-roller Sky Masterson, who falls for mission worker Sarah Brown, and the charming Nathan Detroit, who has been engaged to Miss Adelaide, a headliner at the Hot Box Club, for 14 years. Nathan is known for running a famous floating crap game, and much of the plot revolves around his search for a safe location for the game while Adelaide persistently tries to convince him to marry her. Meanwhile, Sarah, mistakenly believing that Sky organized an illegal game at the mission, struggles with her growing affection for the charismatic gambler.

Praised by TIME Magazine as "the greatest of all American musicals!" and hailed by The New York Times as "the show that defines Broadway dazzle," this musical fable of Broadway promises an unforgettable evening at the theatre. *Guys and Dolls* is rated PG for mild adult humor. Run time is approximately 2 hours 15 mins, which includes an intermission. This is an upbeat musical comedy that everyone can enjoy.
