

# Barker Road Middle School Capital Improvement Project

Pittsford Schools

## Phase 1 – Completed Summer/Fall 2024

- Construct more secure entries at Main Office double-door vestibule.
- Intruder locks for large assembly areas.
- Emergency generator installation.

## Phase 2 – Construction 2025-2027

- Reconfiguration of the Cafeteria and Kitchen/Serving areas.
- Relocation and Renovation of the Band Room, Large Group Instruction Room (LGI).
- Infill and Renovation of the Pool into a Multi-Purpose Room.
- Renovations of Main Office, Guidance Office, Nurse Suite, and new Mental Health Offices.
- Replace tennis courts with track-like surface for physical education classes and team practices.
- Remove portable classrooms and create four classroom spaces inside the school.
- Construct more secure entries at District Office with double-door vestibule.
