

Mendon High School Capital Improvement Project

Pittsford Schools

Phase 1 – Completed Summer/Fall 2024

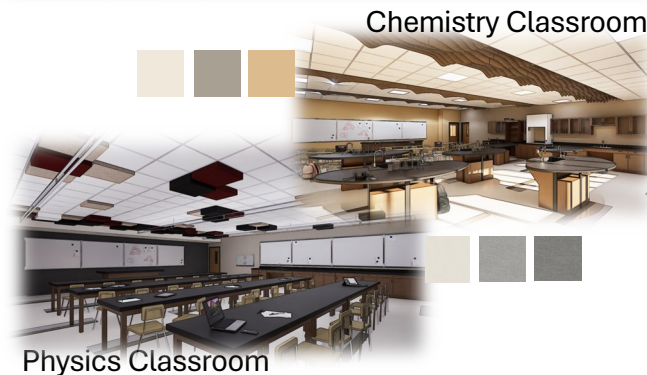

- Construct more secure entries at Main Office double-door vestibule
- Intruder locks for large assembly areas and enhanced security systems with new cameras
- Renovations to Pool Dressing Room and new Pool scoring system

Phase 2 – Construction 2025-2027

- Add two-story addition for Science Classrooms and Language Classrooms
- Renovate existing Science Classrooms for safety purposes and to align with Sutherland High School
- Guidance Suite renovations and repurposing of space for Mental Health areas
- Gymnasium and Auditorium lobby improvements (flooring, additional doors, card reader access)
- Replace tennis courts with eight new courts and seating areas
- Stadium restroom building
- Improve Baseball outfield drainage
