

HFFMCSD Capital Project

Leaving a Mark That Matters

December 19, 2024

Challenge. Engage.
Empower.

We are
committed to
continuous
growth and
improvement.

Mission

The mission of the Highland Falls-Fort Montgomery Schools is to provide enriching, safe and meaningful educational experiences that builds a strong foundation for our diverse student body.

Vision

The HFFMCSD is a school community focused on developing students as lifelong learners equipped with critical thinking and problem solving skills necessary to navigate and shape the future.

Core Beliefs

We will consistently and effectively achieve our vision and accomplish our mission if in all of our work we demonstrate the following core beliefs:

- Focus on the needs of each student and create opportunities to ensure equity
- Foster engagement, collaboration and a sense of belonging for all school community members
- Take collective responsibility and make thoughtful decisions based on best practices
- Diversity, equity, and inclusion are fundamental to creating a welcoming and nurturing environment
- Promote safety, health and wellness for the developmental growth of our community
- Consistently prioritize efficiency and affordability, while also striving for excellence
- Embrace curiosity, connection and critical thinking

Scope of Work: JIO AND HFIS

HFIS

- Replacement of the entire heating system, including new BMS, new boilers and adding air conditioning throughout the building
- Replacement of the roof of the building
- Reconstruction of the main parking lot, including the replacement of the drainage system.

JIO

- Replacement of the heating system, including new BMS, new boilers, and adding air conditioning throughout the building
- Replacement of the roof of the building
- Upgrades to the electrical system
- Renovation of the kitchen including new equipment and upgrades to the plumbing system.

HFIS and JIO Roof Project

- Work began over the summer and commenced in late November.
- Roofing company will be back in July/August of 2025 to complete the project after HVAC units are installed at both buildings.

Scope of Work: FMES

The list of work at the FMES is fairly extensive:

- Replacing all older electrical panels
- Replacing hot water pumps, air separator, and accessories
- Replacing the entire HVAC System, adding AC and updating the Building Management System (BMS)
- Upgrading a number of toilet rooms
- Adding a new elevator, as well as a ramp inside the building for accessibility
- Creating a new secure office and entryway
- Providing ADA access to the building at the front entrance
- Providing additional parking (18-20 spots) to ease parking congestion
- Repaving of the existing parking lot and bus loop
- Upgrades to the electrical system
- Construction of a new multipurpose room (Gymnasium/Cafeteria) with a warming kitchen
- Renovation of existing gym into learning spaces for Art/Music and a Library Media Center
- Renovation of existing kitchen and storage into a new Nurse's office

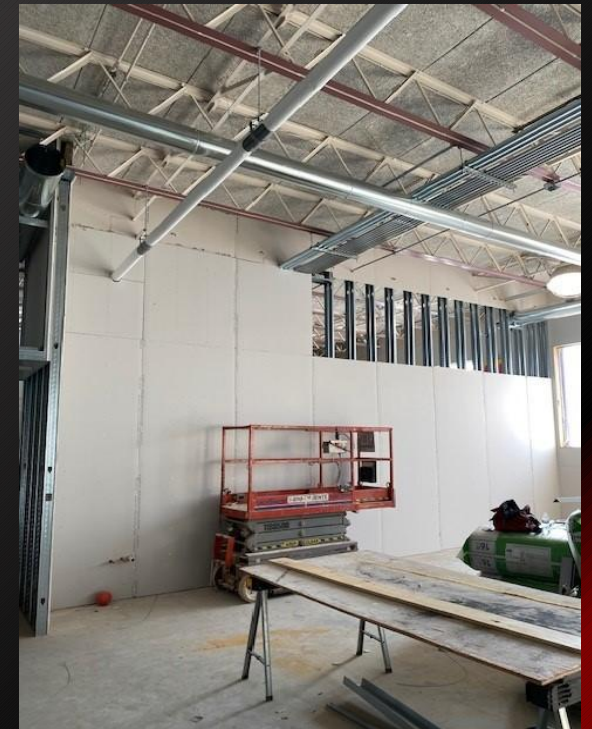

FMES Addition

FMES Addition

FMES: Old Cafenatorium

HVAC, Electrical, Plumbing, ETC..

Staircase & Front Entrance Safety

Roofing and ADA Compliant Front Entrance

Next Steps

- As of 12/18/24, FMES is on schedule to open in August of 2025.
- Continue pouring concrete for addition, with steel coming in early January.
- Looking to enclose new addition by mid-February.
- Complete ductwork on first floor by early January. 2nd floor is complete
- Continue working on all interior renovations including nurses space, “man trap”, 3 new classrooms, bathrooms, etc...
- February 6, 2025 Architect and Construction Management Team will debrief the community at BOE Meeting.
- Phase III was just approved by SED: Kitchen renovations at JIO and HVAC for HFIS and JIO.
