Fridley Public Schools: Assessment Calendar 2024-2025

Fridley Public Schools use multiple assessments to provide teachers with information about their students to plan effective instruction and identify students who may need additional intervention and enrichment. Some assessments are required by state or federal legislation while others are used to meet state or federal program requirements. The schedule provided indicates the districtwide or whole-school testing. Teachers may administer additional subject or course related tests and assessments to measure individual student progress. The school district strives to maximize instructional time and create a balanced schedule throughout the school year.

Assessment Name	Estimated Test Administration Times	Purpose and Rationale	Source of Requirement
NWEA Measures of Academic Progress (MAP):	45-75 minutes	This test measures growth and progress in math. Teachers use this assessment to measure growth throughout the year and from year-to-year. Staff also use it to inform decisions about placement into academic intervention programs, to set academic goals with students, and to differentiate instruction. District-determined math assessment to measure student proficiency and growth	District-determined math assessment to measure student proficiency and growth
FASTBridge Curriculum-Based Assessment in Reading:	10-15 minutes	FAST Assessments measure progress toward grade level benchmarks in reading and is used as one of the metrics for the Minnesota state required Read Well by Grade 3 Initiative. This assessment is used to measure progress in early literacy and reading fluency and accuracy to identify students who may need academic interventions, and by teachers to differentiate instruction. District-determined reading assessment to measure student progress and proficiency	District-determined reading assessment to measure student progress and proficiency
FASTBridge aReading and aMath:	Reading: 30-45 minutes Math: 30 minutes	This computer adaptive test in reading is administered to measure student progress in reading and math skills and identify students who may need additional intervention to support their reading skill growth. District-determined reading and math assessment to measure student progress.	District-determined reading and math assessment to measure student progress
FASTBridge earlyReading and earlyMath:	Reading: 5 Minutes Math: 5 Minutes	This test in reading and math is administered to measure student progress in emerging reading and math skills and identify students who may need additional intervention to support their reading skill	District-determined reading and math assessment to measure student progress

Fridley Public Schools: Assessment Calendar 2024-2025

		<p>growth. District-determined reading and math assessment to measure student progress.</p>	
<p style="text-align: center;">WIDA ACCESS and WIDA Alternate ACCESS:</p>	<p>Listening: 65 minutes Reading: 60 minutes Speaking: 50 minutes Writing: 70–90 minutes</p> <p style="text-align: center;">Alternate ACCESS: Listening 30 minutes Reading 30 minutes Speaking 30 minutes Writing 30 minutes</p>	<p>WIDA ACCESS: This is a test of English language proficiency taken by all English learners. The test is used to determine language proficiency, EL program eligibility, and by teachers to differentiate instruction. The ACCESS for ELLs (ACCESS) is an assessment that measures English language proficiency in listening, reading, speaking, and writing as described in the WIDA English Language Development (ELD) standards. These standards have been adopted by Minnesota and address the language demands of the state’s academic content standards and ESSA</p> <p>Most students will take the ACCESS online. Kindergarten students take the assessment individually with a teacher. Some students, based on their needs documented in their IEP or 504 plan, can take the assessment on paper.</p>	<p style="text-align: center;">ESSA</p>
<p style="text-align: center;">MCA (Minnesota Comprehensive Assessment) and MTAS (Minnesota Test of Academic Skills):</p>	<p style="text-align: center;">MCA Reading: 1.5- 2hours Math: 1.5-2.5 hours Science: 1-2.5 hours</p> <p style="text-align: center;">MTAS Reading: 60-90 minutes <u>Math</u>: 30-60 minutes <u>Science</u>: 60-90 minutes</p>	<p>These tests are required of all Minnesota students to fulfill legislative requirements of the Every Student Succeeds Act (ESSA) and Minnesota Statutes, section 120B.30.</p> <p>The Minnesota Comprehensive Assessments (MCAs) are assessments in reading, mathematics, and science and are administered every year. The MCAs are based on the Minnesota Academic Standards, which specify what students in a particular grade should know and be able to do.</p> <p>All students in Minnesota public and charter schools take the MCAs. Reading and mathematics tests are administered in grades 3 – 8 and high school (students in grade 10 take the Reading MCA, and students in grade 11 take the Mathematics MCA). The Science MCA is administered to students in grades 5 and 8 and in the high school grade in which they take a life science or biology course.</p> <p>Students take the Reading, Mathematics, and Science MCAs online. Some students may be eligible for</p>	<p style="text-align: center;">ESSA MN Statutes, section 120B.30</p>

Fridley Public Schools: Assessment Calendar 2024-2025

		<p>paper test materials based on their Individualized Educational Plan (IEP) or 504 plan.</p> <p>The MCAs are used to gather information about the alignment of districts and schools’ curriculum and instruction with state academic standards. Schools use the information to improve curriculum materials and student support. Educators look for areas where students do well so they can reinforce the ways they teach these skills. Educators also look for areas where they can improve standards-based curriculum and instruction.</p>	
ACT	<p>English: 45 minutes Math: 60 minutes Reading: 35 minutes Science: 35 minutes Writing: 40 minutes</p>	<p>This is a college admissions test measuring academic readiness for college. Scores are used for college admissions decisions. Minnesota schools are required to offer a college admissions test to all students as part of state graduation requirements.</p>	<p>MN Statutes, section 120B.30</p>
SAEBRS/mySAEBRS	<p>SAEBRS: 3-5 minutes mySAEBRS: 5-10 minutes</p>	<p>SAEBRS is a teacher rating scale intended for use as a screening instrument facilitating the screening of broad mental health concerns among students in school settings. It is a universal screener completed by teachers in grades K-2.</p> <p>The mySAEBRS (Social, Academic, and Emotional Behavior Risk Screener) is a brief, norm-referenced tool for screening all students to identify those who are at risk for social-emotional behavior (SEB) problems. It is a Universal Screener given to all students grades 3 – 12.</p> <p>The use of these universal screening instruments is to gather information about students’ academic, emotional, behavioral, or social needs to ensure students are getting all their needs met at school.</p>	<p>District determined screening tool</p>
TS Gold:	<p>Ongoing Observation by teacher</p>	<p>The assessment model used in GOLD follows widely held expectations for children from birth through third grade and enables a whole-child approach to assessment.</p>	<p>District determined screening tool</p>
