How to Set Purchase Limits in LinqConnect Accounts

1. Log into your LinqConnect account. If you have never logged in before, you will need to complete a short registration.
2. Once logged in, click on the 3 lines at the top left side of the page, then click "Meal Account"

3. At the bottom of the Meal Account page, click "Add" then select the account you would like to limit (if you want to put limits on multiple accounts, you will need to add each separately) and choose either Dollar Limit or Item Limit.
   ***If you set the dollar limit to $0, students will still be able to get the one free breakfast and one free lunch, but nothing additional.**

Prices for additional meals:

Elementary School Breakfast **$3.00**
Elementary School Lunch **$4.50**
Middle and High School Breakfast **$3.50**
Middle and High School Lunch **$4.75**

Milk a la carte price **$1.00**

You may also email us at ttsdfoodservice@ttsd.k12.or.us to request that a limit be put on your students account.
