Lindsey Lewitzke, DCE School Board President and DCE Education Foundation Presidnet was awarded the 2024 Athena Young Professional Leadership Award. (Below.)

Two complete sessions of Speed & Performance were completed in 2024 leading into a third in 2025. Children from 4K-8th grade learned techniques to improve their athletic ability. Hundreds of kids completed these sessions and had fun while making new friends and running off some energy. (Above)

(Left) Adventure Care Kids were the first kids to play on the turf this past summer. Girls Basketball. (Below)

(Left) Summer Soccer was successful because of volunteer coaches and parents who support their young athletes. More than 900 kids enjoyed soccer at the outdoor soccer complex at the DCE Middle School.

(Above) First movie on the turf was a success with more than 300 people with the DCE Dance Team.

2024

Our part-time staff are excellent ambassadors and work hard during the year. We employee high school kids and young adults in our Family Programming areas, concession stand and through Adventure Care. (Left)

Group Fitness Classes were back and stronger than the last five years. We have more than 12 instructors who teach seven days a week. Classes vary in size and time of day. (Above)

Tyke Time has been a huge success as a new family program. This opportunity allows parents with little kids age 18 months-4 years old, a chance to play on the turf, bounce in the bounce houses and run in the gym. (Below.)

(Left) Group Fitness held two classes on the turf in the last four months to celebrate the holidays and new building. During the Thanksgiving class, non-perishable food items were brought in and donated to the Marathon County Hunger Coalition.

(Left) Member services staff at the front desk available to help seven days a week from 7AM-8PM.

(Above)Everest Youth Hockey continues to grow and expand offering more opportunities to kids to learn to play hockey.
