

**USD 497 Health Services
Religious Exemption From Immunizations**

Child Name: _____

School Year: _____

My child is an adherent of a religious denomination whose religious teachings are opposed to such tests or inoculations that are required by Kansas state law for school entry.

I am aware that in the event of an outbreak or suspected case of a vaccine-preventable disease, my child shall be excluded from school for the entire incubation period of the disease.

Exclusion Periods (Incubation Time) for Various Immunizations:

Diphtheria - 6 days	Tetanus - 21 days	Hepatitis B- 160 days	Hepatitis A - 50 days
Pertussis - 20 days	Mumps - 25 days	Rubella - 21 days	Polio - 35 days
Measles - 12 days	Varicella (chickenpox) - 21 days
