Attention Red Clay Students!

ClassLink is an easy way for you to access all of the learning applications you use at school. Access all of your learning applications with a single username and password.

How do I log into ClassLink:

1. Access Red Clay's unique ClassLink website:
   launchpad.classlink.com/redclay
   a. You can find this link under the redclayschools.com bookmarks or on your school's website.
2. Click the Sign in with Google button.
3. Log in using your Red Clay Google Account username and password.
4. Click the tile of the website, textbook, or program you want to use.

What do I do if I forget my Google username or password?

- Ask your teacher or school librarian for help!
