Parents' Right to Know: Testing Transparency

ESSA 1112(e)(2)(A) requires notification to parents that they may request, and the district will provide, information regarding any state or district policy regarding student participation in any assessment mandated by ESSA 1111(b)(2) and by the state or district, which shall include a policy, procedure or parental right to opt the child out of such assessment, where applicable.

Parents have the right to request information regarding any state and district policy regarding student participation in mandatory assessments and the district will provide this information in a timely fashion. Requests for state and Pikeville Independent School District assessment policies can be submitted to: Taffie Wells, District Assessment Coordinator (taffie.wells@pikeville.kyschools.us) or Kristen Potter, PES Building Assessment Coordinator (kristen.potter@pikeville.kyschools.us).

Please note that districts in Kentucky are not permitted to honor a parent's request to opt-out of statewide testing. Additional information is available in the [Testing Opt-out Message](#).
