

North Coleman Road Newsletter

December 2024

A note from Mrs. Pelan,

Dear All Stars,

I hope that everyone had a fabulous time celebrating their holidays with their families! The end of Decemember came so quick, that I did not get to send out my newsletter before we left for break, so here it is! I hope everyone is enjoying some quality time together as a family, it is important at this time of the year to spend time with those that you love. I look forward to making 2025 a fantastic year! Happy New Year!

1. Thank you to the PTA for hosting our Winter Wonderland! It was a great success with so many people in attendance. The students had so much fun getting on the polar express- making stops to guess how many candy canes the grinch had in his jar, going on the winter movie scavenger hunt, tossing snowballs in frosty's hat, making a snowman coaster, a gingerbread ornament, having a snowball fight and candy cane races! There was even face painting and karaoke! Thank you to all of the PTA parents, North Coleman Staff and National Honor Society Students that helped out! It was a great success!
2. Please make sure to send your child into school with a coat, even if it is cold out through the winter, we will still be encouraging outdoor recess. The students, the staff and I will always look to have recess outside as long as it is safe for all!
3. Kudos to our 5th grade band and orchestra students and our 4th and 5th grade chorus students for their fantastic concert in school and in the evening at Newfield High School! The students played very well. I also appreciate that the audience stayed for the concert to cheer on all of the students. For the spring concert, I request only one parent/guardian please go to the back to pick up their student from the assigned room at the end of the concert. There was a miscommunication with the High School staff at pick up, which will be fixed for the spring

concert and only 1 parent will be allowed in the back to pick up the student. The spring concert will have more students with the 4th grade band and orchestra performing as well. In addition, please keep in mind as the audience that our performing groups and musical directors cannot begin to play until the audience is quiet, so we ask that you refrain from yelling the students names to start the show. Thank you for your anticipated cooperation!

4. We had so many fabulous events in December pictured below. Just to share we had our Report Card Conferences, visit from the Gingerbread Man for Pre-K and PRAISE, In School and Evening Musical Concert, Field trips to Sunken Meadow for 1st Grade, 1st and 2nd Grade Frosty Trip, 1st Grade Gingerbread House Making, Grade Level Holiday Gatherings, Visit from the Grinch, Mrs. Pelan's Hot Cocoa Stand for staff at North Coleman, Holiday Sing-a-long, and the Promise of Hope Foundation Toy Donation. Thank you to all that have helped to make these events a success!
