Safety Guidelines for Students Riding School Buses

It is crucial that students and parents adhere to the following guidelines below to ensure the safety and well-being of our students during their bus journey.

- ***Board the bus only when the operator is seated at the controls.***
- ***Board the bus in single file, holding onto the handrail, and promptly proceed to the seat assigned to you by the operator.***

Your cooperation in adhering to these safety measures is greatly appreciated and will contribute to creating a secure environment for all students.
