# JANUARY NEWSIES

HAPPY NEW YEAR!!! 2024 was SO good to me and to us as a class, let's bring it on 2025! I hope everyone had an amazing break, filled with lots of family time and I hope no one got any coal in their stocking! As we come back into the new year, we are going to be getting back into the swing of things educationally! Math and Reading are going to begin picking up, and then we are going to start learning how to write! We are so excited!

Crazy Holidays/Important Dates in January:

- 1/1- New Years Day
- 1/2- WELCOME BACK TO SCHOOL
- 1/3- WE DO HAVE SCHOOL THIS FRIDAY!!!
- 1/6- Cuddle Up Day
- 1/7- Bobblehead Day
- 1/8- Bubble Bath Day
- 1/9- Law Enforcement Appreciation Day
- 1/13- Clean Off Your Desk Day
- 1/14- Dress Up Your Pet Day
- 1/15- Hat Day
- 1/16- Nothing Day
- 1/20- MLK Day
- 1/21- Granola Bar Day
- 1/22- Polka Dot Day
- 1/23- Handwriting Day
- 1/27- Chocolate Cake Day
- 1/28- Blueberry Pancake Day
- 1/29- Puzzle Day
- 1/30- Crossiant Day

On December 19th before Break began, we read the story "How To Catch Santa Claus", and we made Santa Traps to try and catch him if he came to our classroom! This is what it looked like... It was SO MUCH FUN!

# HAPPY NEW YEAR!

# MRS. M CLASS NEWS

## LOOKING BACK FROM DECEMBER & FORWARD TO JANUARY 2025

### A NOTE FROM THE TEACHER:

The students have been setting goals each week for the class. They often choose organization, getting work done in class and my favorite: giving grace and being kind! This group is maturing into quite the responsible students. These goals have helped them to have less missing assignments and we will continue this into the new year.

Happy Holidays Mrs. M

### UPCOMING EVENTS:

 **12/19 Christmas Concert**  
**12/24 Christmas Eve**  
**12/25 CHRISTMAS DAY**

**1/2 Back to SCHOOL** for the last half of school  
**1/30 Student Awards Assembly**

 **CHRISTMAS Break**  
**12/20- 1/1**

### LOOKING AHEAD:

### STAY IN TOUCH :

Please allow for 24 hours for a response.

No Birthdays to be had

<b>MATH</b>	The <b>Third Graders</b> Wow we made lot of growth in Multiplication. One way to support your students is to practice skip counting <b>Second Grade</b> Place value seemed like a breeze, the students picked it up quickly.
<b>SCIENCE</b>	We will start some simple science activities in the new year.
<b>READING</b>	The students are all making growth in their reading. Please ask them about what they read in school to help build comprehension.
<b>WRITING</b>	<b>Third Graders</b> The presentations went amazing! They will start a new research project in January. <b>Second graders</b> Are working on their stories with complete thoughts and spelling.
<b>SOCIAL STUDY</b>	The Tribal Seals have really started to get the students thinking about what is important to each tribe. We have also learned timelines of the tribes which was very interesting.

## The Library Connection

Throughout December, the library has been decorated with many Christmas books and plush stuffed toys to celebrate the season and reading. When searching for units and lessons to teach, Mrs. Rupprecht learned a few new things. Did you know that over the years that Amelia Bedelia has been illustrated by five different people? As new illustrators changed, so did Amelia. There were subtle changes each time. The modern day Amelia is totally different. We read some fun and festive stories. As the month, season, and year change over winter break, the library will transform into a warm, yet, winterful space.

Lessons about winter, snowmen, snow fun, and specific authors will be highlighted. Cynthia Rylant, Nick Bruel, and Ezra Jack Keats books will be read. Olaf will be appearing in a couple of lessons and in different areas of the library.

Each student will get Dojo points if they are responsible and bring back library books. Additional points are awarded if they have been learners during the lessons.

Looking forward and things to consider ahead of time...

Book Blast

I Love to Read Month

Read Across America/Dr. Seuss

Scholastic Book Fair

# *Agriculture Education*

The agriculture classes have been busy this last month. AG woods has been working on small wood projects that they have started to build. They are turning out really neat as they wrap them up to take home. Ag II has been learning about animal systems. They learned about digestion and created a model of the digestive tract. AG I has been learning about rabbits, aquaculture, and other exotic animals. They are also responsible for filling the backpacks for families in need in our community every Thursday. AG 6 wrapped up safety in the shop and is making a bird feeder with hand tools. Personal career readiness class has been busy working their work study jobs, along with getting personal projects done.

FFA had a busy month with Montana crates coming in and going to two district events. I am super proud of where they placed as we have three teams going on to State FFA. We had teams in vet science, livestock judging, meat science, floriculture, and Creed speaking. Our vet, floriculture, and meat science will be attending state in April. Thank you to everyone who supported the chapter with our Montana baskets.

**Here's to an amazing 2025!!!!!!**

Happy New Year!

As you put away your Christmas decorations and you are thinking of getting rid of it downsizing your children's toys.... Please consider donating gently used items to the Joliet Kids Shoppe.

We helped bring Christmas to over 100 kids, newborn to 12 years old and their families in Carbon County.

Everything is FREE from the kids shopping for each person in their whole family to the wrapping.

Looking for items for Mom's, Dad's, boys, girls, and babies.

No clothes please.

Items like: mugs, kids gently used toys, games , puzzles, jewelry, hats, gloves, scarves can be handmade, used and clean or store bought.

We appreciate your community support in helping the kids being able to give their families a Christmas gift.

For questions, concerns or donations please reach out to Tiffany Morehouse call or text 406-665-6294 or text Lisa Yedlicka at 406-861-7478

## Fromberg FFA By Brislyn Maharrey

Happy New Year!! As we wrap up 2024 our FFA crew has been very busy with competitions and our Montana basket sales and we would like to thank everyone for supporting our Fromberg FFA Chapter.

As for competitions, we've gone to districts in Columbus and the Sweetgrass Showdown in Big Timber in early December. At these competitions, we competed in Floriculture, Vet, Livestock, Meat judging, and Creed speaking. We did well in all of these competitions with our Floriculture, Vet, and meats teams going on to State FFA. Our next competition is Districts in February in Billings for Livestock and Employment skills so our members have been studying hard.

Fromberg FFA looks forward to a great 2025 and are excited to see what it will bring. Here are our teams that competed in December.
