SCHOOL YEAR

District Calendar / BACK-TO-SCHOOL INFORMATION

Minnesota's first and only school district to provide the

full E-12 International Baccalaureate Continuum

A Message from Superintendent Dr. Brenda Lewis

Fridley Public Schools - Transformational Learning

Welcome Back to School, Fridley Families!

Dear Fridley Public School Families,

Welcome to the 2024-2025 school year. It is such an honor to be embarking upon my second year as Superintendent of Fridley Public Schools. I am hopeful that this message finds you enjoying the beauty of summer in Minnesota.

We are so eager to launch the 2024-2025 school year. This year we will open our new VISTA Education Center Program. We are so excited to expand our program offerings specialized for students served in a Setting IV program. Last school year saw a deep focus on literacy in our elementary grades. We are eager to continue deepening and expanding our work in this area.

We are eager to continue working on the implementation of AVID (Advancement Via Individual Determination). AVID compliments works in collaboration with our International Baccalaureate (IB) programming. FPS continues to be the only full continuum district in the state of MN and 1 of 13 districts in the nation.

I continue to also be a proud Fridley mom of three. It is wonderful for me to have the lens of both the superintendent and mom.

I am very much looking forward to our second year together and can't wait to see you all at our back to school events.

Sincerely,

Brenda Lewis
