TUITION APPLICATION PROCESS

If you are not a resident in the Lake Local School District, the only way you are able to enroll at Lake Local Schools is through approved tuition status. Lake Local School District is not an open enrollment school district and reserves the right to accept or deny tuition enrollment for any reason, including current enrollment.

PROCESS:

1. Complete the online tuition application
2. Application and attachments will be forwarded to the appropriate building administrator.
3. The building principal will contact the home school where the student is presently enrolled, informing them of the request for tuition status at Lake and inquiring to the student's status in their current district.
4. If the prospective student meets Lake's tuition requirements, parents will be contacted for an interview by the building administrator.
5. Depending on the outcome of step 4 of the process, the application will either be denied or be recommended for approval to the superintendent.
6. If approved by the building principal, the Superintendent will recommend to the Lake Board of Education for approval at one of the regular monthly Board of Education meetings (the Board of Education meets the third Monday of every month).
7. If approved, parents may contact the building secretary for required forms needed to begin registration.
8. If approved, the district treasurer will mail a tuition invoice with the amount due.

Tuition is paid to the treasurer's office in two payments:

August/September – first semester payment due.

January - second semester payment due.

Please contact the LLS District Treasurer's Office at 330-877-4280 to update either of the following:

- If your child **will not** be continuing as a tuition student for the upcoming school year.
- If your home address changes throughout the school year.
