

Temporary Traffic Pattern

All vehicles and school buses will enter and exit the NMS/NHS campus via the first entrance off Chaneyville Road by the NHS tennis courts.

For Arrival:

During arrival, all vehicles other than buses will be making the first right hand turn in the parking lot and following a loop to the Student Drop-Off Zone that is located in the first row of the parking lot near the NHS cafeteria. Please pull up to the furthest spot in the drop off zone so that we can allow as many vehicles into the zone as possible. Students should be ready to exit their vehicle quickly so that we can keep traffic flowing. There is a sidewalk next to the drop off zone that will allow students to safely walk to NMS. Vehicles will be directed back towards Chaneyville Road. Please note that vehicles will be stopped as needed when buses are entering or exiting the bus lot.

For Dismissal:

During dismissal, all vehicles will enter and exit using the same pattern. Parents waiting to pick up their child may park in the drop off zone or in any vacant parking spot so that other vehicles can exit the parking lot.

For Visitors:

For those visiting during the school day, there are designated visitor parking spaces in the front row of the parking lot.
