School Plan for Student Achievement  
2024-2025

This School Plan for Student Achievement (SPSA) is a plan of actions to raise the performance of all students. The SPSA contains the following:

**Needs Assessment:**

- School Demographics
- English Language Arts
- Mathematics
- English Learners
- Culture/Climate Domain
- SPSA Effectiveness

**Accountability Measure I: Increase Achievement:**

- Core Programs (ELA, Writing, Math)
- Interventions
- Transitions

**Accountability Measure II: School Climate**

**Accountability Measure III: Professional Development**

- Professional Development
- Teacher Involvement

**Accountability Measure IV: Parents and Community Involvement Assurances**

- School Budget for Categorical Programs
- SSC Membership
- ELAC Membership
- ELAC Recommendations
- Assurances, Approval and Signatures

The School Site Council (SSC) completed a comprehensive needs assessment, including analyses of student performance in relation to the state

academic content standards. In order to provide supplemental interventions, the SSC analyzed the academic performance of all students and subgroups, and it considered the instructional program's effectiveness for at-promise students.

The School Site Council aligns the Long Beach Unified School District's Strategic Plan and LCAP into the SPSA. The LCAP Goals are presented at: [lbschools.net/lcap](https://lbschools.net/lcap). The LCAP Federal Addendum is presented at: [lbschools.net/departments/business-and-finance/fiscal-services/state-and-federal-programs/state-and-federal-required-plans](https://lbschools.net/departments/business-and-finance/fiscal-services/state-and-federal-programs/state-and-federal-required-plans)

Education Code 52062 (4) requires that the superintendent of the school district review school plans for schools within the school district and ensure that the specific actions included in the local control and accountability plan or annual update to the local control and accountability plan are consistent with strategies included in the school plans submitted.

Progress and components of LBUSD's Strategic Plan, viewable at [lbschools.net/departments/strategic-planning](https://lbschools.net/departments/strategic-planning), are rooted in the following core values:

- Centering student needs and voice
- Authentic community engagement and collaboration
- Culture of innovation and creativity
- Diversity and inclusion
- Environment that fosters connection, respect and safety
- Equity and social justice
- Excellence and accountability through continuous improvement
- Fostering joy and commitment
- Integrity and responsible leadership

The Board of Education has set goals to help guide the district and schools:

**Goal 1: Reading: Proficiency**

The percentage of Grade 3 students who meet or exceed grade-level standards on the state English Language Arts SBAC assessment will grow from 48% in June 2023 to 70% by June 2028.

**Goal 2: Reading: Acceleration**

The percentage of students in Grades 4-8 scoring at the “Not Met” achievement level in the prior year who meet the scale score growth target on the state SBAC-English Language Arts assessment will increase from 28% in June 2023 to 60% in June 2028.

**Goal 3: Algebra Proficiency**

In pursuit of having more than 80% of Black/African American students meet the Algebra A-G requirement by the end of Grade 9, the proficiency gap between Black/African American students and all other students will decline from 5% in June 2023 to 0% by June 2028.

**Goal 4: College & Career Readiness**

In pursuit of having more than 66% of Black/African American graduating seniors A-G eligible, the proficiency gap between Black/African American students and all other students will decline from 15% in June 2023 to 0% by June 2028

In addition, the SSC recognizes following recommendations made by the District Community Advisory Committee (DCAC) and the District English Learner Advisory Committee (DELAC):

**DCAC Recommendations:**

**Recommendation 1:** Provide more parent involvement and parent education training at all schools, including sending parent participants to conferences in order to empower and train parent leaders.

**Recommendation 2:** Create and provide a more inviting, safe and welcoming climate/community atmosphere at all sites for all cultures, parents and students.

**Recommendation 3:** Re-establish district Parent Centers and encourage sites to establish a parent center/parent resource room to better engage and serve parents.

**DELAC Recommendations:**

1. Monitor the implementation of the district's comprehensive English Language Development (ELD) program in grades K-12th addressing language and academic needs of a diverse EL population from newcomers to Long Term English Learners.
2. Provide parent workshops to build capacity on specific topics such as LCFF, LCAP and SSC to better understand how each functions;
3. Continue to explore programs at sites that address the social/emotional development and well-being of all students, including English Learners
4. Expand tutoring and other intervention programs that are content-specific to meet the student's identified needs including special education students

The SSC recognizes the importance of **Parent and Family Engagement** and emphasizes LBUSD Board Policy 6020:

The Governing Board recognizes that parents/guardians are their children's first and most influential teachers and that continued parent involvement in the education of children contributes greatly to student achievement and a positive school environment. For this reason, the Governing Board will have a written parent involvement policy developed jointly with and agreed upon by parents/guardians and applicable to non-Title I schools.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The district's local control and accountability plan (LCAP) shall include goals and strategies for parent/guardian involvement and family engagement, including district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district's parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, family members, and school staff on the adequacy of involvement opportunities and on barriers that may inhibit participation.

**Title I Schools**

The Superintendent or designee shall involve parents/guardians and family members in establishing district expectations and objectives for

meaningful parent/guardian and family engagement in schools supported by Title I funding, developing strategies that describe how the district will carry out each activity listed in 20 USC 6318, as contained in the accompanying administrative regulation, and implementing and evaluating such programs, activities, and procedures. As appropriate, the Superintendent or designee shall conduct outreach to all parents/guardians and family members. (Education Code 11503; 20 USC 6318)

When the district's Title I, Part A allocation exceeds the amount specified in 20 USC 6318, the Board shall reserve at least one percent of the funding to implement parent/guardian and family engagement activities and shall distribute at least 90 percent of those reserved funds to eligible schools, with priority given to high-need schools as defined in 20 USC 6631. The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities. (20 USC 6318).

Conclusions from the needs assessment were used to prioritize supplemental programs, materials, professional development, targeted interventions, and other activities that will strengthen the school's academic achievement, close the achievement gap, and provide a safe, civil and productive school.

## Comprehensive Needs Assessment: English-Language Arts

### ELA Findings

In 2023-24, 100% of students earned a C or higher in their English courses. 98% of students met or exceeded on the English Language Arts section of SBAC.

### ELA Goals

Through professional development with a focus on student engagement, equitable lesson planning and social emotional learning strategies the percentage of students earning an A, B or C grade in English Language Arts each semester will remain 100% for all students and analyzed each semester.

## Comprehensive Needs Assessment: Mathematics

### Math Findings

In 2023-24 96% of students earned a C or higher in their math courses. 93% of students scored Met or Exceeded on the SBAC math section.

### Math Goals

Through professional development with a focus on student engagement, equitable lesson planning and social emotional learning strategies the percentage of students earning an A, B or C grade in Mathematics each semester will increase to more than 96%. Data will be analyzed at each semester.

## Comprehensive Needs Assessment: English Learners

### English Learner Findings

N/A

<b>English Learner Goals</b>
N/A

### **Comprehensive Needs Assessment: Culture/Climate Domain**

<b>Culture/Climate Findings</b>
The Core survey results were mostly positive with slight increases in most areas. The number of positive responses were: Sense of Belonging 67%, Growth Mindset 80%, Self-Management 79% and Climate of Support of 84%. One area that decreased was in Cultural Awareness from 53% to 48%.

<b>Culture/Climate Goals</b>
Due to the decrease in responses to cultural awareness questions on the CORE survey, the school will focus on professional development to increase supporting students' identity, student voice and teaching about other cultures. Overall students will indicate an increase in the Core survey of 2% in student belonging and cultural awareness. Monitoring will occur three times a year based on the Pulse Survey results.

### **Comprehensive Needs Assessment: SPSA Effectiveness**

ELA	1) Goal 1: Through professional development with a focus on student engagement, equitable lesson planning and differentiation the percentage of students earning an A, B or C grade in English Language Arts each semester will remain more than 98% for all students and increase to 100% for Homeless/Foster students. Grades will be reviewed and analyzed quarterly by administrators and teachers. Targeted interventions will be utilized when necessary. Data will also be shared during School Site Council meetings.	Goal Met	All students passed their English classes with a grade of C or higher.	Continue to provide strategies for student engagement.

Math	1) Goal 2: Through professional development with a focus on student engagement, equitable lesson planning and differentiation the percentage of students earning an A, B or C grade in Mathematics each semester will increase to more than 98% and 100% for Homeless/Foster students. Grades will be reviewed and analyzed quarterly by administrators and teachers. Targeted interventions will be utilized when necessary. Data will also be shared during School Site Council meetings.	Goal Partially or Not Met	Only 96% of students earned a grade of C or higher. The Homeless/Foster students had a 100% pass rate in Math.	Continue to provide strategies for student engagement.
English Learner	1) Does not meet the minimum requirement of students for subgroup.			

Culture/Climate	1) Goal 4: Through professional development with a focus on creating a welcoming classroom, increasing student voice and supporting students identity, students will indicate an increase in the Pulse survey of 2% overall and 5% for Homeless/Foster students. Pulse Survey data will be reviewed and analyzed three times throughout the year by administrators and teachers. Targeted interventions will be utilized when necessary. Data will also be shared during School Site Council meetings.	Goal Partially or Not Met	All of the areas went up on the Pulse Survey, but not by 2%. Unfortunately, we are unable to pull specific data for the Homeless/Foster group.	Select specific categories to focus on for the next school year.

literary texts. Modules also provide instruction in research methods and documentation conventions. Students will be expected to increase their awareness of the rhetorical strategies employed by authors and to apply those strategies in their own writing. Students who take this course by CSU ERWC Certified Teacher and who receive a grade of "C" or better in the course will be deemed ready for college level coursework in English by the CSU. ERWC meets the CSU English proficiency exam requirement.

- Language Development tasks: concept vocabulary, word study, conventions, author's style
- Preparation for performance assessments, Unit reflections, evidence logs, word networks
- Short constructed response, Cornell notes, double entry journals, journal quick writes

#### Formative Assessments/Quizzes

These assessments allow teachers and students to collect the best possible evidence about where students are in the learning process, and teachers use this information to decide what to do next.

These are quick assessments to check for understanding of the content and skills taught so far. These mini assessments can be oral, multiple choice, short answer, essay format, or visual. They can be graded or not. Some examples include the following:

- Brief quizzes and general comprehension checks
- Thinking Maps
- Selection Tests

#### Homework

This independent practice reinforces or extends the instruction or learning done in class. Teachers use the data to determine areas of focus for student intervention (reteach) and/or acceleration (move on). The work should be checked for completion, but not graded for mastery: it is practice in a skill.

**Core Program - Math**

<b>Curriculum/Instruction</b>	<b>Assessments</b>	<b>Resources/Materials</b>
<p>The Common Core State Standards Scope and Sequence documents provide a comprehensive “blueprint” for strategically sequencing and operationalizing the grade-level/course standards in Mathematics. For high school, the core program includes Algebra 1, Geometry, Algebra 2 and Precalculus.</p> <p><b>Algebra 1</b> The fundamental purpose of the Algebra 1 course is to formalize and extend the mathematics that students learned in the middle grades. This course includes standards from the conceptual categories of Number and Quantity, Algebra, Functions, and Statistics and Probability. understanding of linear and exponential relationships; (2) contrast linear and exponential relationships with each other and engage in methods for analyzing, solving, and using quadratic functions; (3) extend the laws of exponents to square and cube roots; and (4) apply linear models to data that exhibit a linear trend. assessment.

Intensified Algebra I is offered to a small group of approximately 30 students at selected sites. Intensified Algebra I is a comprehensive, two-period course that is designed to help students who are one to three years behind in mathematics re-engage as motivated learners and succeed in Algebra I within a single academic year. Students are enrolled in a double block of Algebra which is supplemented with mindset activities and a hands-on approach to help students gain confidence and competence in Algebra.

#### Geometry

The fundamental purpose of the Geometry course is to formalize and extend students' geometric experiences from the middle grades. This course includes standards from the Geometry conceptual category. In this Geometry course, students explore more complex geometric situations and deepen their explanations of geometric relationships, presenting and hearing formal mathematical arguments. Instructional time focuses on five critical areas: (1) establish criteria for congruence of triangles based on rigid motions; (2) establish criteria for similarity of triangles based on dilation and proportional reasoning; (3) informally develop explanations of circumference, area, and volume formulas; (4) apply the Pythagorean Theorem to the coordinate plane; and (5) prove basic geometric theorems.

## Algebra 2

Building on their work with linear, quadratic, and exponential functions, students extend their repertoire of functions to include logarithmic, polynomial, rational, and radical functions in the Algebra 2 course. This course includes standards from the conceptual categories of Number and Quantity, Algebra, Functions, Geometry, and Statistics and Probability. Students work closely with the expressions that define the functions, competently manipulate algebraic expressions, and continue to expand and hone their abilities to model situations and to solve equations, including solving quadratic equations over the set of complex numbers and solving exponential equations using the properties of logarithms. Instructional time focuses on four critical areas: (1) relate arithmetic of rational expressions to arithmetic of rational numbers; (2) expand understandings of functions and graphing to include trigonometric functions; (3) synthesize and generalize functions and extend understanding of exponential functions to logarithmic functions; and (4) relate data display and summary statistics to probability and explore a variety of data collection methods.

## Precalculus

Precalculus combines the trigonometric, geometric, and algebraic techniques needed to prepare students for the study of calculus, and strengthens students' conceptual understanding of problems and mathematical reasoning in solving problems. Instructional time focuses on four critical areas: (1) extend work with complex numbers; (2) expand understanding of logarithms and exponential functions; (3) use characteristics of polynomial and rational functions to sketch graphs of those functions; and (4) perform operations with vectors. Precalculus is not a required

course for A-G completion. See additional 4th year options below.

#### 4th Year Options

To meet the four year math requirement and to provide access to upper level math classes, some schools offer additional math electives, which may include:

- Introduction to Applied Math (not A-G)
- Intro to Data Science (IDS)
- Functions, Statistics & Trigonometry (FST)
- Finite Math
- AP Statistics
- AP Calculus (AB or BC)

### School Budget for Categorical Programs

The following site budget represents programs funded through the Consolidated Application. This Budget summary lists the funds that are to be consolidated as part of a schoolwide program. The SPSA's budgeted activities have been approved by the School Site Council and are in compliance with program regulations.

Federal Programs (to Consolidate)	Allocation
Title I (3010)	0
Title I Parent and Family Involvement (3008)	0

The following amounts are the school's share of Title I required and allowed reservations:

Share	Services	Amount
Administrative Share	Services provided to sites as part of Title I program leadership: EEP and Early Childhood Education; Additional reservation for Parent Involvement (over 1% requirement); Homeless Education; Reading Intervention/Private Schools; Research LROIX Development.	NA
Centralized Services Share	Counselors, Family Resource Centers, Facilitators, Travel/Conferences, APEX Online, Youth Orchestra Travel/Conferences, CORE	NA

State Programs *	Allocation
LCFF	34860

\* It is understood that LCFF funding is district-directed; however, in the spirit of effective stakeholder engagement and transparency, LBUSD has included LCFF activities in the SPSA.

Midyear Adjustments:

*The state projects amounts districts receive in Title I and other resources, sometimes making mid-year adjustments to the allotments as a result of the Consolidated Application. While there is often no difference in site allocations, LBUSD will notify affected principals who will announce any adjustment to the SSC.*

### **Title I Reservations**

Title I Reservations are used for required or Board-approved services. These reservations are made prior to allocations to sites and designed to provide central services to underserved, underperforming, and/or Title I schools. Listed programs and services are budgeted for the school year and may be slightly altered depending on need and budget adjustments.

### **Administrative Share & Reservations Title I Program Administration**

**Parent Involvement** (additional funds beyond the required 1%)

Parent University Staff to help families understand & access information, as well as become a true partner in education. In addition to providing parent trainings, staff works with parent engagement events, such as Education Celebration. Multilingual staff helps support parent engagement activities as well as personalizes information for non-English speaking families.

### **Homeless Education**

Provides homeless students and families with supplies (uniforms, basic needs), social service referrals, transportation, and counseling.

### **Research/TISB LROIX Development**

LROIX is LBUSD's data hub to help schools access pertinent, focused, live data; formulate needs assessments; and create effective interventions. The reservation provides personnel to maintain and develop the complex system.

### **Program Administration and Personnel to provide leadership:**

- Curriculum Instruction and Professional Development (OCIPD): DELAC and EL services
- Early Learning (CDC, Educare, Head Start) - early childhood education, personnel including pre-K teachers of subsidized programs, office assistants
- Equity Engagement and Partnerships (EEP) - parent workshops and community engagement
- State and Federal Programs (SFP): state and federal supplemental programs

### **Centralized Services**

#### **Family Resource Centers**

Services to address students' social, emotional, and behavioral needs at 32 schools, including short-term counseling. The centers work with families to connect them to community resources, school-based services and parent education workshops.

**Youth Orchestra**

Students receive music opportunities with string instruments and instruction from professional music performers on weekends.

**Assistance to Schools****Counselors**

Addresses student well-being, provides and coordinates various mental health supports, and collaborates with the site team to promote academic, behavioral or social-emotional development.

**Facilitators**

Assists in site engagement and compliance tasks to improve communication, build and strengthen community partnerships, and address goals to improve student achievement.

**Travel/Conferences**

Enables staff to develop requisite knowledge about programs they lead.

**CORE**

The CA Office to Reform Education is a partnership of large CA urban school districts. Part of the CORE collaborative is data sharing and accountability, including the CORE surveys of parents, staff and students in grades 4-12 on a range of school climate indicators.

**APEX Online**

APEX Learning program is a computerized independent learning program, coupled with teacher-directed instruction designed to assist students to address gaps in knowledge.

**Foster Youth Transportation**

## ELAC Recommendations

Pursuant to Education Code, Section 52176, the school’s English Learner Advisory Committee (ELAC) conducted a needs assessment as it pertains to English Learner (EL) students and presented the following recommendations about programs and services that will assist EL students to achieve standards.

Question	Answer
1. Does the school have more than 20 EL students enrolled?	
2. At which ELAC meeting did ELAC approve its Recommendations?	
3. Input ELAC's approved recommendations. These should be services and programs pertaining to EL student achievement:	
4. What types of data did ELAC use to determine the need for the listed recommendations (add any that apply):	
5. At which SSC meeting were the ELAC recommendations presented? Ensure the SSC Agenda and Minutes list the receipt of the ELAC Recommendations	
6. What was SSC's response to ELAC recommendations?	

## Assurances & Approval

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the Consolidated Application, pursuant to California Education Code, Section 64001 and the federal Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA). The SPSA's purpose is to increase the overall effectiveness of the school program by crafting a site strategic plan that maximizes the resources available to the school. The School Site Council (SSC) is required to analyze data as part of a needs assessment, develop the SPSA, which approves programs and services in support of an annual budget to promote student achievement, pursuant to California Education Code, Sections 52853 and 52855. SSC's approach to the utilization of federal resources to support underserved, underachieving students by providing interventions that are aligned with the school and district goals and promote continuous improvement.

### Assurances:

1. School Site Council received recommendations from ELAC at the following SSC meeting(s):
2. The SSC approved the **Home-School Compact** on 09/18/2024
3. The SSC approved the **Parent Involvement Guidelines** on 09/18/2024
4. Our School held **two Title I Annual Parent Meetings** (input dates if a Title I school): ,
5. SSC Participated in the Annual Evaluation of SPSA:11/20/2024
6. The SPSA was approved at the following SSC Meeting: 11/20/2024

## Student – Parent – School Compact 2024-25

The educational program of CAMS High School is designed to provide rigorous, effective curriculum and instruction in a supportive learning environment. In order to achieve our high standards, the staff, parents/guardians, and students of CAMS High School agree and commit to implementing the following activities that are related to the learning process.

### As a student, I will carry out the following responsibilities.

1. I will attend school regularly and arrive on time to all classes.
2. I will accept responsibility for my own education by completing my homework, class work, and preparing for all tests.
3. I will follow the CAMS academic integrity policy.
4. I will accept responsibility for my own behavior and respect the right of others to learn without distraction and disruption.
5. I will show respect towards all adults and other students in the school.
6. I will regularly log on to my Canvas classes to track my assignments and grades.
7. I will request assistance and tutoring when needed and attend school based tutorials. I will attend tutoring when recommended.
8. I will follow the LBUSD attendance, discipline, acceptable use, and homework policies.
9. I understand that use of cell phones and electronic devices is governed by teachers within the classroom, and that I am responsible for the loss of, or damage to, any such items brought on campus.

### As a parent or guardian, we will carry out the following responsibilities.

1. I will support the academic program and help my child in any way possible to meet his/her educational responsibilities.
2. I will inform the school of the correct address, telephone number, and e-mail address where I can be reached, and will update any changes so I can always be reached in case of an emergency.
3. I will keep a list of important school phone numbers so that I can contact the appropriate person at CAMS.
4. I will actively pursue school based tutoring and support services for my child when needed.
5. I will log on to the Canvas classes and register my information to regularly monitor my child's grades and assignments.
6. I will provide a quiet place and time for my student to study and to complete homework assignments.
7. I will attend school-based functions to support my child, such as parent conferences, Back-to-School and Open House, performances, sporting events, parent information meetings, etc.
8. My child and I will follow and abide by the LBUSD regulations as outlined in the Parent Guidelines Handbook.

### As a school, the CAMS Staff will carry out the following responsibilities.

1. We will work as dedicated professionals with our students' best interest as our primary concern.
2. We will provide a common core state standards-based program that is rigorous and challenging. Our program will also address the individual needs of all students.
3. We will communicate the content standards, classroom and homework expectations, and instructional goals to students and parents.
4. We will communicate to parents/guardians and students on an ongoing basis regarding the academic progress of the students.
5. We will regularly post assignments and grades on Canvas classes or have them available so students and parents can easily monitor student progress.
6. We will encourage students to strive for their personal best, motivate them to pursue their dreams, and help them develop, plan, and implement goals for post-secondary life.
7. We will encourage parents and students to attend school functions and visit the campus.
8. We provide opportunities for parents to participate in improving the CAMS program through various parent activities.

All parties understand and agree that it is a privilege not a right to attend CAMS and that doing so is entirely voluntary. We understand and agree that if not attending CAMS voluntarily, the student would be legally obligated to attend a school in the school district of residence. We understand and agree that a student can be dismissed from CAMS and returned to the home school district of residence in the event the administration of CAMS determines, in its sole discretion, that a student has violated any student code of conduct, any federal law and/or state law and that if such a determination is made there shall be no right to challenge said determination in an evidentiary hearing or appeal.

## **CAMS High School Parent Involvement Guidelines 2024-25**

CAMS has developed jointly with the members of School Site Council and distributed to parents a school Parent Involvement Guidelines. The Guidelines establish CAMS' expectations for parental involvement and describe how the school will implement a number of specific parental involvement activities. The Home-School compact is incorporated into the Parent Involvement Guidelines.

**PART I CAMS** agrees to implement the following requirements:

- Jointly develop with parents, and distribute to parents of participating children, a school Parent Involvement Guidelines that the school and parents of participating children agree on.
- Notify parents about the school Parent Involvement Guidelines in an understandable and uniform format and, to the extent practicable, will distribute these Guidelines to parents in a language the parents can understand when requested.
- Make the school Parent Involvement Guidelines available to the local community.
- Periodically update the school Parent Involvement Guidelines to meet the changing needs of parents and the school. The School Site Council (SSC) must approve these Guidelines annually.
- Adopt the school's Home-School compact as a component of its school Parent Involvement Guidelines. The School Site Council must approve the Compact annually.
- Agrees to be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition.

### **PART II. DESCRIPTION OF HOW THE SCHOOL WILL IMPLEMENT REQUIRED SCHOOL PARENT INVOLVEMENT GUIDELINES COMPONENTS**

1. CAMS will take the following actions to involve parents in the joint development and joint agreement of its school Parent Involvement Guidelines and its schoolwide plan. CAMS will update periodically its School Parental Involvement Guidelines to meet the changing needs of parents and the school through:

- Attendance at one of the district trainings or school site training:

- i. Responsibilities & Roles of School Site Council (SSC) and its members
- ii. Composition of SSC
- iii. Budgetary considerations

- Plan meeting with SSC parents (at a convenient time) to review assessment data, WASC action plan, and previous year's Parent Involvement Guidelines

- i. Invite other parents and stakeholders to attend the meeting via CAMS Website
- iii. Use website and email to announce dates/location of meetings

- At Meeting

- i. Review School Plan, Parent Involvement Guidelines, and Home School Compact. As a group, make changes (deletions or additions) as necessary
- ii. School Site Council (SSC) must vote to approve the Parent Involvement Guidelines & Home School Compact. This vote must be stated in the meeting minutes.
- iii. Oral and written translations made available for Spanish parents when requested

2. CAMS will take the following actions to distribute to parents of participating children and the local community, the school Parent Involvement Guidelines:

- SSC meetings
- Main Office Display Board
- Back to School Night
- School website
- Canvas, School Messenger and e-mail

3. CAMS will provide to parents of participating children a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet:

- Back-to-School Night
- Parent-teacher Conferences
- School Messenger or Newsletter type of announcements

4. CAMS will provide parents of participating children, if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children:

- Parent-Teacher conferences, telephone calls, email, Canvas

5. CAMS will submit to the district any parent comments if the schoolwide plan is not satisfactory to parents of participating children.

### **PART III SHARED RESPONSIBILITIES FOR HIGH STUDENT ACADEMIC ACHIEVEMENT**

1. CAMS will build capacity for strong parental involvement in order to ensure effective parent/school partnership and to improve student academic achievement, through the following activities specifically described below:

- Parent-Teacher conferences
- District trainings offered for parents and staff
- Parent education workshops on site
- District website resources: click “P” for Parents

2. CAMS will incorporate the Home-School Compact as a component of its School Parental Involvement Guidelines:

- Outlines the shared responsibility of home, school and student in academic achievement
- Developed/reviewed at early SSC meetings
- School Site Council must vote to approve compact
- Home-School Compact, once approved, will be distributed to parents via the website.

3. CAMS will, with the assistance of its district and parents, educate its teachers and other staff, in how to reach out to, communicate with, and work with parents as equal partners and build ties between parents and schools by:

- Teacher/Staff in-services

4.. CAMS will, to the extent feasible and appropriate, take the following actions to ensure that information related to the school and parent programs, meetings, and other activities, is sent to the parents of participating children in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand:

- **Contact person for parental involvement information/activities/education**
