AGREEMENT made this day of February 28, 2024, between SUFFERN CENTRAL SCHOOL DISTRICT, a school district duly organized and existing under and by virtue of the Education Law of the State of New York, having its principal office at the Central Administrative Offices, Hillburn, New York, hereinafter called "District," and the SUFFERN EDUCATION SUPPORT PROFESSIONALS (SESP), an unincorporated association of seven or more persons having its principal office in Suffern, New York, hereinafter called "Association."

WITNESSETH

WHEREAS, the District has established, pursuant to Section 207 of the Civil Service Law, a teacher aides and monitors negotiating unit (hereinafter called "unit"), and

WHEREAS, the Association is the choice of the employees in the Unit as their employee organization; and

WHEREAS, the District has heretofore recognized the Association as the representative of the Unit in negotiating the terms and conditions of employment of such Unit; and

WHEREAS; the negotiations have taken place between the District and the Association resulting in an agreement with respect to the terms and conditions of employment of the public employees in said Unit:

NOW, THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS:

ARTICLE I: TERM OF AGREEMENT

Term of Agreement — Effective July 1, 2024 and shall terminate on June 30, 2028.

ARTICLE II: EMPLOYEES' REPRESENTATION

The employees of the District who are, or who shall become, members of the Aides and Monitors Unit as heretofore determined, shall be represented in negotiations and in the settlement of grievances by the Association. The Association, until seven months prior to the expiration of this Agreement, shall have, and is hereby granted, exclusive and unchallenged status to represent the public employees who are members of the Unit in negotiations respecting terms and conditions of employment and in the settlement of grievances. There will be three (3) classifications of employees: Teacher Aide (Full Time), Teacher Aide (Part Time), and Lunchtime Monitor.

The documents relevant to this bargaining unit shall be consistent in the identification of the job titles held by bargaining unit members; to wit: Teacher Aide (Full Time), Teacher Aide (Part Time) and Lunchtime Monitor.

ARTICLE III: LEAVES WITH PAY

1. At the beginning of each school year, every member shall be credited with eighteen (18) days of paid leave of absence. The said days of credit shall be added to the number of days of paid leave, if any, that each member has accumulated. Effective July 1, 2019, the number of accumulated days may never exceed 200; that is, no member may start a school year (September 1) with more than 200 days of accumulated leave and the yearly credited days of current annual leave. Any days not used in excess of 165 days shall be paid at the rate of \$50.00 per day up to a maximum of 35 days upon retirement. The maximum payment a unit member could receive upon retirement pursuant to this provision, if the unit member had 200 accumulated days, would be 35 days x \$50.00 per day for a total of \$1,750.00.
2. A member of the Unit, upon written notice five (5) calendar days in advance (which notice may be waived in the event of extreme emergency) may use three (3) days leave, in any one year, for personal reasons and need not state any reasons for such leave; provided however, that personal leave may not be taken on a day immediately preceding or immediately following any other school holiday and/or multiple personal days may not be taken consecutively, except for unforeseen emergencies and upon the approval of the Assistant Superintendent of Human Resources.
 - a. The Assistant Superintendent for Human Resources, in his/her sole discretion, may grant additional days of personal leave upon application in writing made at least five (5) school days in advance of the date of the commencement of such leave.
 - b. The use of personal leave should be restricted to such activities as closing on a house, taking children to college, graduations, marriages, etc.
 - c. The written notice required for personal leave shall be routed through first the building principal or immediate supervisor, then through the Assistant Superintendent of Human Resources.
3. Three (3) days of paid leave may be used in any one year for mourning each death in the family of the employee. The family of the unit member is deemed to include only spouse/domestic partner, child (step), parent (in-law), sister (in-law), brother (in-law), grandparent (in-law), grandchildren. The Assistant Superintendent for Human Resources may grant additional days for this purpose upon application, therefore.
4. The total number of days of credited paid leave for the current year, less the number of days theretofore used within the year under paragraphs "2", "3" and "4" hereof, may be used in any one year because of sickness in the employee's family. If the absence for a family member extends beyond seven (7) days or four (4) consecutive days, the DISTRICT may require a note/letter from a medical provider.
5. An employee may use all of her/his leave not theretofore previously used, plus all of his/her accumulated leave (as hereinafter provided) during any one year because of illness of the employee. Whenever leave extends beyond (7) days or four (4) consecutive days, the DISTRICT may require a note/letter from a medical provider and/or require an examination of the employee by a qualified physician selected by the District.
6. Child Care Leave — Unit members shall be entitled to use up to forty (40) workdays of their accumulated paid leave days for childcare leave, commencing with any period of pregnancy-related disability through the fortieth consecutive workday following the onset of pregnancy disability leave. This provision applies equally to male and female bargaining unit members, based upon the date of the onset of pregnancy-related

- disability. In the event that the forty (40) workday period extends into the summer months, the count towards the fortieth day shall continue by counting the workdays of 12-month employees of the District.
7. Sick Bank — Unit members who contribute one (1) day each at the inception of the creation of the Sick Bank and/or who contribute days to renew the bank to its maximum number of days (100 days) shall be eligible to withdraw days at the discretion of a committee comprised of two administrators and two SESP appointees, based upon having suffered a catastrophic illness or a catastrophic injury. There shall be a limit of forty (40) days per user in the aggregate during the user's career in the District, which may be increased upon appeal to the Board to a maximum of fifty (50) days in the aggregate during the user's career in the District where hardship is demonstrated. In the event of a tie among the members of the committee, the Superintendent shall cast the deciding vote. All applications must be supported through medical documentation, and the committee may require an independent evaluation by a medical doctor selected by the committee. The decision of the committee or Superintendent, where applicable, shall be final and binding and shall not be subject to review through the grievance article of this agreement or in any other administrative or judicial forum.
 8. District Bank: Any member of the Unit who is unable to perform services because of illness or disability and who has exhausted all paid leave available may be granted fifty (50) additional days of paid leave at the sole discretion of the Superintendent of Schools or his/her designee. An examination of the employee by a qualified physician selected by the School District may be required before such additional leave may be granted. This provision shall not be subject to the arbitration provision of the parties' collective bargaining agreement.
 9. Absence Due to Injury- In the event that a member is injured while on duty and is necessarily absent by reason of such injury, the days of absence during the first 10 months after such injury shall not be included against the member's leave of absence days either for the year in which injured or against accumulated days. The District shall pay the member's salary in full during the first 10 months of such injury provided, however, that the District shall be entitled to reimbursement for any payments which the member receives, or is entitled to receive, under the New York State Workers' Compensation Act. An employee who has been absent due to injury for more than one (1) year cumulatively due to an occupational injury or disease as defined in the workmen's compensation law, or in the case of an occupational injury or disease resulting from an assault sustained in the course of employment absent for more than two (2) years cumulatively, or has been determined to be permanently incapacitated due to such injury or disease, may be terminated from employment in accordance with the procedures set forth in New York State Civil Service Law Section 71 and 4 NYCRR Section 5.9, provided the employee is provided an opportunity to be heard in a meeting with the Superintendent or his/her designee prior to the effective date of such termination.
 10. Extended Leave of Absence- Any member of the UNIT previously having received permanent appointment in the DISTRICT who is unable to work because of illness or disability and who has exhausted all paid leave available, shall be granted a leave of absence without pay for the duration of such illness or disability or for one (1) year, whichever term is shorter.

Notwithstanding the above, an employee who has been continuously absent from and unable to perform the duties of his or her position for more than one (1) year by reason of a disability, other than a disability resulting from occupational injury or disease as defined in the workers' compensation law, may be terminated from his or her position in accordance with New York State Civil Service Law Section 73, provided the employee is provided an opportunity to be heard in a meeting with the Superintendent or his/her designee prior to the effective date of such termination.
