## 2023-2024 Second Grade School-Parent Compact

August 1, 2023

### What is a Family-School Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers will work together to make sure that all of our students reach grade-level standards.

#### ECPS School Improvement Goals 2022-2023

**READING: 80% of all second grade students will score at or above grade level on the first grade reading assessment (Oral Reading Fluency)**

2nd Grade Focus: Fluently read 87 or more words per minute.

**MATH: 70% of all second grade students will meet or exceed projected growth on spring Math MAP.**

1st Grade Focus: Adding/subtracting fluently within 20.

#### Jointly Developed

Parents and staff at ECPS developed this School-Parent Compact for Achievement through our Parent Advisory Committee. Parents and teachers added specific needs and suggested strategies for learning at home. Meetings are held each year to review the compact and make changes based on students' needs.
