

Welcome to kindergarten at Caley Elementary! Beginning kindergarten is an exciting time for every child and we are delighted with the possibilities the upcoming year holds.

Kindergarten is the launching pad for new adventures offering many challenges while providing many opportunities for children to blossom. For many youngsters, adjusting to different expectations, new routines, or, perhaps just being away from home can seem overwhelming.

We believe parents play a vital role in their child's education. Please fill out the following information, this will help us learn more about you and your child. We thank you in advance for your help with this. **Please return this form and any additional documents when you come for our Here I Come Kindergarten orientation program on August 15th or at your child's screening on August 22nd.**
