

## 2024-2025 CANDLEBROOK ELEMENTARY SCHOOL PTC

Welcome to the new school year! Now that most families have settled in after the first few weeks of school, the Parent Teacher Club (PTC) invites you to join us in what promises to be a year filled with learning, growth and new experiences for our children. This will be a year of revitalization! The purpose of the PTC is to foster a nurturing and caring environment for our children. We also promote a school community where teachers and administrators can do their best work with the resources we can provide and help make school fun for all! Through donations and fundraising efforts, the PTC is able to donate funds to purchase educational materials and equipment for the school, as well as being involved in efforts to help the local community, and much more!

For the PTC to be effective and truly representative of the school, **it is essential to have parental involvement** from as many parents as possible. Candlebrook Elementary PTC board, teachers, and staff always appreciate our parent volunteers. There are many ways to become involved in the PTC from chairing a committee or event to simply sharing ideas. No contribution is too small! Keep in mind that by volunteering, you will get to enjoy interacting with the kids, become friends with other parents, and accomplish things that truly make a difference!

Consider attending a PTC meeting on the second Tuesday of each month. Our meetings are a great way to hear about the upcoming events from the board members, and messages from our principal, Mr. McCartney as well as the teacher representative.

We look forward to working with each one of you to make this a GREAT school year!
