

ROBERTS ELEMENTARY SWPBIS

Our Community inspires all students to believe in themselves, embrace challenges and solve problems to make a positive difference.

WHAT IS SWPBIS?

School-Wide Positive Behavior Interventions & Supports (SWPBIS) is a framework to model, teach and reinforce expected behaviors in all areas of the school. It is a research-based model with a focus on positive climate, preventing problem behavior and increased academic achievement for ALL students!

You earned a Robbie's Ribbon for being:

☐ Respectful

☐ Responsible

☐ Ready

Student name _____

Date _____

Teacher _____

ROBERTS ACKNOWLEDGEMENT SYSTEM

- Students showing the expected behaviors of being respectful, responsible or ready in all locations around school have the chance to be reinforced with a Robbie's Ribbon ticket.
- Next they place their ticket into a 3R Jar they and take a Robbie's Ribbon sticker to wear home!
- At the end of each day all tickets are placed into the Robbie's 100 Club chart in the main hallway.
- When the Robbie's 100 Club chart is full, a row is picked. The 10 students in that row receive a small prize and have their picture taken for the Robbie's Wall of Fame!
- Every other month, ALL students who have been demonstrating expected behaviors participate in a school-wide Robbie's Reward Rally ☺

Our SWPBIS program will be most successful if there is a partnership and common language between home and school. Please help us by supporting SWPBIS at Roberts!

- Review the behavior expectations and behavior matrix with your child.
- Continue to use the terms "respectful," "responsible" and "ready" at home and in the community.
- Recognize your child positively when they show expected behaviors and ask them about how they earned a Robbie's Ribbon.
- Contact us with concerns or ideas about SWPBIS at Roberts.
- Consider being a family or business sponsor for SWPBIS prizes or activities.
