Monmouth County Vocational School District

The Monmouth County Vocational School District prepares students for an evolving workplace, lifelong learning and further education through career-focused programs as diverse as the needs and interests of our county's students. Six different full-time, four-year [Career Academies](#) welcome students as freshmen and combine rigorous academics with research and field experiences to give students a significant head start on their college and career journeys. A range of [Shared Time](#) career programs engage high school juniors and seniors in a career area of interest for half a day, and they remain in their home high school for core courses. The [Career Center](#) introduces students with special needs in grades 9-12 to different vocations before they select one for focused training. [Adult Education](#) programming gives adult and postsecondary students affordable options for career training to enter the workforce, advance in their current careers or pursue a new one. If interested in any of these programs, please check out the [Monmouth County Vocational School District Open House](#) schedule.

Husky's Closet

[Husky's Closet](#) was born out of the idea for matching students in need of formal wear for proms and other events after Cinderella's Closet closed. In response to the growing needs within the community, Husky's Closet has grown to not only include dresses and formal wear but other clothing items and light toiletries.

In 2023, Matawan Aberdeen Educational Foundation graciously funded a grant for Huskies Closet to purchase, paint, clothing racks, organizational materials and many prom dresses. Currently the Closet is maintained by Women's Empowerment Club and through their leadership have taken in donations or clothing and other household items for distribution throughout the school district and community at large. We are currently accepting clothing donations and looking to connect with families in need.

Husky's Closet
The closet is a safe space for students, staff and their families to get clothes, formal wear and some household supplies. If you would like to access the closet please email Ms. Amanda Longo (amandalongo@marsd.org)
