

Dear TCA Family and Friends,

The TCA Board of Directors would like to share the following highlights from our December 16th board meeting:

Celebrate TCA

This month, we celebrated College Pathways (CP) and the incredible experiences and opportunities it provides. Students shared how their school experience has supported their academic journeys and prepared them for success through high school and beyond. If you would like, please join us for our College Pathways Information Night on Thursday, January 16th, 2025, from 6:30-8:30pm at the East Campus. There, you will meet our leaders, discuss important topics related to the curriculum, and answer any questions you may have about CP.

Registrar Report

Kayla Harper, TCA's Registrar, presented our annual Registrar Report. Traditional attrition rates were the 4th lowest in school history while College Pathways and Cottage School attrition were both at an all-time low. As a result of these tremendous attrition rates, we were able to exceed our anticipated enrollment for the school year. Alongside this great news, we continue to seek enrollment for our youngest students. Knowing that word of mouth is our best advertising tool, please share with anyone who might be interested. Our waitlist applications are open on our website and available [here](#). Please contact TCA's Registrar at tcaregistrar@asd20.org with any questions.

Capital Construction Committee

As discussed last month, the Board created a Capital Construction Committee to start the next phase of planning for the bond upgrades at East Campus. Mrs. Kelli Hawkins and Mrs. Laura Moffat were voted as the board representatives on this committee. They will begin meeting next month.

As always, if you have any questions, please feel free to contact us at talk2tcaboard@gmail.com. We wish you a Merry Christmas, a peaceful and rejuvenating holiday season, and a happy New Year!

Laura Moffat
Board Secretary
