

PRESCHOOL

"I love school! We dance and sing songs. We sing about letters, and numbers, and the weather. We have gym. We get to paint. Going to the library to get a book is my favorite, FAVORITE!"

— ROSEY A., PRESCHOOL

"The small class sizes at St. Peter have made our experience much more personal. It's so refreshing to witness all of the staff take such a deep interest in our child's development. St. Peter really is one big amazing family"

— JULIE K., PARENT

GROW. EXPLORE. DISCOVER.

Our multi-age, play-based preschool program is designed to help your child grow and learn. At St. Peter, we focus on ensuring extra individualized attention for each and every student. A safe, nurturing, and loving environment is provided to help prepare children for elementary school and beyond. By developing important academic, social, and emotional skills, our teachers help each child discover an exciting world of learning and play.

ACADEMIC LEARNING

Teaching foundational literacy and math skills, helps prepare children for long-term educational success.

INDIVIDUALIZED ATTENTION

One-on-one class time allows for extra academic, social, spiritual, social and emotional growth.

PLAY-BASED APPROACH

Children explore creativity, critical thinking, and problem-solving while developing communication and motor skills through play-based learning.

Children age 3 (by September 1) and 4 or 5 years are eligible for enrollment in our preschool program. The application forms can be found and submitted electronically on our website at stpeterlcms.org/enroll.
