

The Oakes Museum

Curators Club & CC2

Winter/Spring 2025

We are excited to invite you to our Curators Club sessions this Winter!

Curators Club 9:15 - 11:30 AM

Preregistration is \$20/student/Saturday; register for all six and pay only \$100 (a \$20 savings!). Financial assistance may be available.

- **January 11th: Gross Me out!** Uncover the science behind nasty, gross and disgusting!
- **January 25th: Fungus Amongus!** Explore the amazing world of fungi!
- **February 8th: Where do they go in Winter?** Find out how animals survive during the cold winter months.
- **February 22nd: Forces of Nature!** Find out how volcanoes, earthquakes and other natural phenomenon shape our world.
- **March 15th: Winged Wonders!** Explore the wonderful world of Butterflies and moths!
- **March 29th: Carnivorous Plants and Herbal Allies.** Learn about different types of plants, how they defend themselves, and how some can be used in healing.

CC2 Saturdays 12:15-2:30 pm

Preregistration is \$25/student/session. Financial assistance may be available.

January 25th: Fungus Amongus – Explore the amazing world of Fungi and learn how to ID different species of fungi and explore them closer under a dissecting microscope.

February 22nd: Forces of Nature – Find out how volcanoes, earthquakes and other natural phenomenon shape our world. Students will also learn how to track and map storms.

March 29th: Plants: Carnivorous Plants and Herbal Allies. Learn about different types of plants, how they defend themselves, and how some can be used in healing.

For more information and to register go to www.messiah.edu/Oakes or contact us at curatorsclub@messiah.edu or (717) 691-6082

Curators Club (for grades 3-5) and CC2 (6-8th) are science enrichment programs on a variety of topics in a fun learning environment at The Oakes Museum of Natural History. Curators Club members receive a membership card for free admission to The Oakes Museum of Natural History, and a t-shirt.
