

WELCOME TO BRIDGEPORT ELEMENTARY PTC!

The Bridgeport Elementary PTC would like to welcome you to another exciting school year!

We are a volunteer organization made up of parents, teachers, administrators, and support staff who are all dedicated to the successful education of our children. The PTC works hard to make the school year both enjoyable and exciting for the students, teachers, and parents of our school.

Our purpose is to help our students and staff by providing support for educational and recreational needs, to promote open communication between all members, parents, and staff, and to encourage school spirit and pride. The PTC uses our resources to support the efforts of the staff of our school and to create fun and engaging events for our students and their families. Each year, we take part in fundraisers to bring more money and opportunity for growth into our school. The money we raise is used for field trips, school events, teacher grants, playground equipment, etc.

We “give back” to the school and our children with fun events throughout the year, including the Ice Cream Social, Family Movie Nights, Bingo Night, themed dances, and our ever-popular Spring Fling. In addition, we work to raise money for our 4th grade classes to take part in a special field trip and enjoy an end-of-the-year pool party before leaving elementary school and embarking on their middle school journey.

You can participate and help us make the 2024-2025 school year a great one for our children and teachers! We’re always looking for volunteers to help out with events and we welcome anyone who would like to come to our monthly meetings. We meet on a Wednesday evening to discuss our progress, plan fundraisers and events, and share ideas. We welcome any and all ideas and input and we love hearing from other parents! Our meeting dates can be found on the PTC Calendar located on our school webpage (<https://www.umasd.org/domain/594>).

We’re so excited for this school year, and we look forward to getting to know you and making this year a great one for the children and staff. *We’re proud to be Bridgeport Bears!*
