Phase 2 District Level Comprehensive Planning Work Flow

Upper Merion Area School District

PDE Regulations Update

Focus of plan must be on…

Improving language and literacy acquisition

Teaching diverse learners in an inclusive setting

UMASD is operating at its ideal best when...

Our Students

- graduate prepared academically, culturally, and technologically prepared for the challenges of the 21st century
- graduate prepared to be lifelong learners
- graduate with a strong sense of self, a deep concern for fellow human beings, and a lasting commitment to their community

Our Parents

- are engaged in their children's educational experiences
- work collaboratively with school personnel to understand and support educational endeavors
- model high ethical and work standards and demonstrate the value of school attendance

UMASD is operating at its ideal best when...

Our Community

- works collaboratively to foster supportive partnerships that benefit all students
- takes pride in our schools
- holds high expectations for all students

Our Leadership and Governance

- support a culture of learning
- serve as educational mentors
- are future-focused and guide change
- model perseverance, strong work ethic and lifelong learning
