Dear Parents and Guardians of School Age Children,

The Pennsylvania Department of Health is changing school immunization regulations. The regulations are intended to ensure that children attending school in the commonwealth are adequately protected against potential outbreaks of vaccine preventable diseases.

In accordance with new legislation, each child, K-12 must be immunized by the **first day** of school and/or have a valid medical certificate, or your school-aged child will **not** be allowed in school.

To make certain that your child will be able to start school on time, please provide up to date immunization documentation to your Certified School Nurse by **Friday, June 9, 2017.**

Don't wait, get your child up-to-date with his or her vaccinations today!

For more information please refer to the attached Immunization Schedule or visit the Montgomery County Website at http://www.montcopa.org/2758/School-Vaccine-Law-Changes

Thank You.

Sincerely,

John Moody
Director of Student Services
