I can't wait to hear the orchestra in our new building! The new orchestra room is a wonderful space for our rehearsals and the new theater will be amazing. I'm looking forward to a great year!

I'm looking forward to a great year in band! Our wonderful new space will allow us to continue to grow our programs and give the students the facilities they deserve to make music. Marching band is off to a great start with our show, Blue Skies, and I know more great things are coming this year!
