Title One:

School-Parent-Student Compact:

Before COVID our funds were mainly for free/reduced lunch.

We have encouraged parents to apply for it, because if we go in the hole we (the school) have to find the funds to cover it.

PUSH for the community to apply for it!

You can apply for it... No matter what! ONLINE-

Secretaries are the only ones who know if you have it

**Idea from Kaitlyn: have a computer set up during back to school night to give them time to apply or have a QR code card
