

CONSOLIDATED SCHOOL DISTRICT OF NEW BRITAIN

Board Policy Statement

6172.41 - Comparability of Programs Under Title I

Approved on March 16, 1998

Services being provided by state and local funds in Title I/EERA project areas are comparable to services being provided in each school attendance area within the District.

The New Britain Board of Education ensures equivalence among schools in:

- Teachers, administrators, and auxiliary personnel.
- Provision of curriculum materials and instructional supplies.
- A district-wide salary schedule.

Annual records are maintained in the District to document comparability.
