

CONSOLIDATED SCHOOL DISTRICT OF NEW BRITAIN

Board Policy Statement

6300.00 – Remote Learning

Approved on November 8, 2021

The Board of Education, to the limits that are allowed by the State Department of Education, shall allow the use of Remote Learning in the following situations: (1) to students who must be in COVID-19 isolation or quarantine, (2) to address localized outbreaks in a school or specific school district, and (3) in rare and individualized circumstances, for students with elevated risks from COVID-19 exposure due to co-habiting family members with documented vulnerability to COVID-19.

The District shall develop procedures to enact this policy pursuant to State guidance and shall be charged with updating these guidelines as guidance from the State Department of Education Changes.
