Current Budget Review for TSSA/Trustlands Plan

Attached Paper - About \$15,000, which is enough to finish out the school year.

- Teacher Salary - used to get a full-time teacher (it probably will come out at the end)
- Left to spend is about \$5000 wellness/emotional centers, alternate seating
- Doing pretty well!
- Side note: Title One Funds - purchased iPad's/Pencils with Doceri

Academic Needs for Next School Year

Recommendations for TSSA Plan

- Math
 - April Martin: Talking about iReady
 - Hard to set goals for MOY
 - Focus on total growth of iReay measure (50% or more)
 - Birch Creek teachers like the idea of a growth goal - on their way to meeting an expected goal Trudy will meet with teachers and come up with a percentage, then next meeting we will vote on it and decide which plan to put it in.
- Reading
 - The past few years, we have been focused on Acadience Reading
 - Grade Level teachers met and wondered if we could do HMMH goals
 - What group do you want to see the most change in?
 - Measurement goal with "below-level"

- Acadience goal for K, 1, 2???
 - Focus on 3-6??
 - Kathy - goals should be what is going to work best for our students.
 - Holly Harris & Trudy thought: Below level percent from BOY to MOY would decrease by 20%
- Technology
 - 2 or 3 Chromebook labs expiring soon
 - We have about 15.5 labs
 - One cart is about \$13,000
 - \$80,000 from TrustLands technology & Para Pros
- TSSA: helps pay counselor salary
- The district pays for any growth a year later...
- Kaiann will come to the next meeting with lab numbers.

The final report was submitted on the website but shared at our first meeting.

Areas of Concern with Child Access Routing Plan

- How do kids get to school?
- Do we need to add different safety features on the west side?
- Sidewalk by fire station?
- Solicit through UDOT
 - With growth... It's necessary now.
 - Crossing guard on 300? city-parent volunteers?
