Bolton Academy Senior Achieves Perfect ACT Score

Alexandria, LA – The Rapides Parish School Board is proud to announce that William Seeling, a senior at Bolton Academy, has earned a perfect score on the ACT. This remarkable achievement reflects Will's commitment to hard work and academic excellence.

Reflecting on the accomplishment, Will shared, "Getting the score report felt surreal. I was hoping to improve and optimize my score, and this last time, I was able to relax and not put any additional pressure on myself. I think that helped!" He credits his success to his internal drive and his ability to stay calm under pressure.

Will plans to attend Louisiana Tech University after graduation, where he will pursue a degree in engineering with a potential focus to integrate his interest in psychology in his studies.

This achievement not only underscores Will's academic abilities but also brings pride to our school system, Bolton Academy, and to Rapides Parish.
