

# 2024-2025 Men of Excellence Stewardship Report

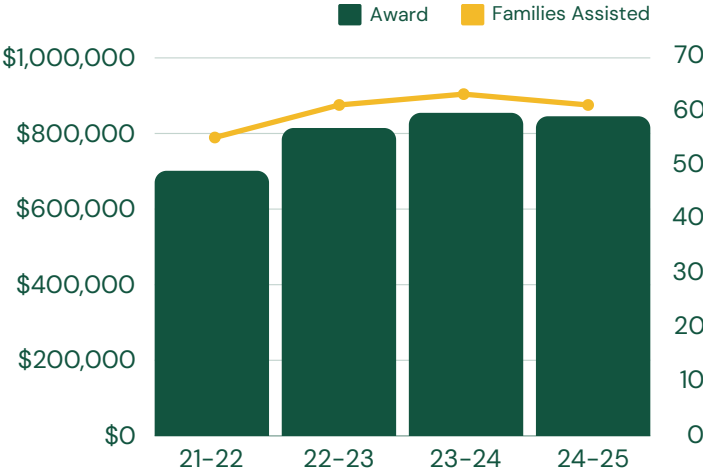

The Men of Excellence Fund was established in 2016 by an anonymous alumni donor who believed all qualified students deserve a Saint Xavier education. This need-based scholarship fund aims to provide tuition assistance to families who, otherwise, may not have considered St. X to be within financial reach, even with aid. Since its establishment, 406 need-based scholarships have been awarded, totaling over \$5.1 million. Additionally, 36 graduates have gone on to attend a four-year college or university.
