I am PREPARED for class and activities when I use time and resources to manage and complete tasks and projects.

SCHOOL ATTENDANCE

Research has revealed that students who are late or miss school regularly find it difficult to be successful in any of their endeavors. It is the responsibility of the parents/ guardians to make sure students attend school daily ([Education Code 48200](#)). Students who miss more than the allotted absences or tardies from school (more than 10% of the school year) will receive official notices of truancy ([Education Code 48260](#)). This process can lead to our district's Student Attendance Review Board (SARB) ([Education Code 48263](#)) and ultimately, the Santa Clara County District Attorney's Office for review and prosecution ([Education Code 48264](#) and [48293](#) and [Penal Code 270.1](#)).

ABSENCES

Absences and tardies are recorded electronically. Call 408-270-6902 to report the reason for your child's absence. Parents are to notify the school when a student is absent. Any student not in attendance during the school day may not participate in any after school program scheduled for that day. The district has implemented automated calling within the first 30 minutes of the school day. The automated call will let parents know if a student was marked absent or tardy. Excused absences include illness, doctor's appointment, bereavement, or religious holiday observances. If a student or parent has any questions regarding attendance, please call the attendance clerk at 408-270-6902.

TRUANCY AND CHRONIC ABSENTEEISM

Truancy - "[Education Code Section 48260 \(a\)](#) A pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without a valid excuse three full days in one school year or tardy or

absent for more than a 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, shall be classified as a truant and shall be reported to the attendance supervisor or to the superintendent of the school district."

Chronic Absenteeism "A student is considered a chronic absentee if he or she is absent 10 percent of the days they were enrolled in a school. Chronic absence is different from truancy which counts only unexcused absences and indicates a violation of California's compulsory attendance laws. Average Daily Attendance (ADA) is the average number of students who attend school each day and is used for state funding purposes."

TARDY POLICY

Tardies are tracked every quarter. Students must be in their assigned seats when the tardy bell rings before the start of each period, or they will be considered tardy.

First Tardy	Teacher warning
Second Tardy	Teacher action and teacher notification to parents.
Third Tardy	Referral to the assistant principal for further consultation and reflection and parent contact.
Fourth + Tardy	Administration's discretion (i.e. loss of privilege, detention, etc.) and parent contact.

CHOICE

I am PREPARED for class and activities when I use time and resources to manage and complete tasks and projects.

SUGGESTED MATERIALS

Students are to arrive at school every day with the materials they need to be successful in all their classes. Students are to bring pens, pencils, and paper daily as well as other materials specified by the student's teachers to each class. Students will receive information from each teacher as to what is needed for each class. If support is needed with purchasing needed materials, parents may contact the front office at chfrontoffice@eesd.org.

HOMEWORK MAKE-UP POLICY

Students are expected to make up any missed assignments due to any type of absence. Upon return to school, it is the student's responsibility to get assignments from their teachers after class or after school. Teachers are required to provide homework for excused absences. **Excused absences include: a doctor's appointment, illness, or bereavement.**

PHYSICAL EDUCATION (P.E.) POLICIES & PROCEDURES

All physical limitations must be authorized by a doctor. Parents may excuse their child from Physical Education (P.E.) for three days. After three days, a note is required by the student's physician.

P.E. Lockers

Each student will be assigned their own locker. No sharing of lockers or lock combinations is allowed; students must use a school-assigned lock. Students are required to lock up their valuables in their assigned locker before heading out to PE class. If something is missing from a locker, notify a PE teacher immediately. Students are responsible for keeping lockers clean and secure. Lockers are subject to inspection at any time. The locker room is monitored at all times.

P.E. UNIFORM

The physical education uniform consists of Chaboya's P.E. clothes or plain black athletic shorts, a plain white t-shirt, and athletic sneakers or shoes. Students who are not dressed for participating in P.E. class will not be allowed in the locker room. School P.E. clothing are available for purchase:

I demonstrate *EMPATHY* and *RESPECT* for others by listening to others and raising my hand to participate.

RESPECT FOR OTHERS

Bullying and harassment will not be tolerated. Serious disciplinary action will occur for bullying and harassment situations. All students need to use the [COLTS CARE HELPLINE](#) to report actions and behavior that cause personal discomfort in the classroom, on school property, and through online interactions. It is important to learn the differences between daily interactions with others to create a climate of safety and kindness for all students. Words, looks, actions, or gestures that result in making

someone feel uncomfortable or unsafe will be considered **harassment** and **will not be tolerated**. This includes actions, comments, and any verbal or written communication, including on social media, or through any other messaging platforms directed at someone's ethnicity, gender, sexual orientation, religion, or physical appearance. Public display of affection is not allowed (kissing, hugging, holding hands, etc.).

<p>I will be polite, not rude.</p>	<p>Rude: Unintentionally saying or doing something that negatively affects another person</p>	<p>Examples of polite behavior:</p> <ul style="list-style-type: none"> • Asking permission to borrow items instead of taking without permission • Bumping into someone at lunch and apologizing to them

SEXUAL HARASSMENT

Sexual harassment means "any unwelcome sexual advances, requests for sexual favors, and/or other verbal, visual, or physical conduct of a sexual nature made by someone in the educational setting." This conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or creates an intimidating, hostile, or offensive educational environment.

Violators will face disciplinary actions which may include suspension or expulsion from school and subject to referral to the appropriate law enforcement agency.

A student who believes he/she is a victim of sexual harassment is to report such harassment to a teacher, administrator, or other adult authority on campus. (Federal and CA State Law)

CELL PHONES / ELECTRONICS/ SMART WATCHES

Students may not be called to the phone during school hours. However, in an emergency, the secretaries may take a message for a student or arrange a call back. If a student needs to make a phone call to a parent, they may come up to the office and the front office staff or an assistant principal will assist them. Students are not to have their cell phones out during the school day, Cell phones are to be silent and/or off from 8:00am - 2:30pm. Cell phones and all other electronic devices should be put in backpacks. Cell phones and other electronic devices are not to be in use around campus, should not be out in the locker rooms, and should only be used in a classroom if there have been specific directions from a teacher. Students who violate this policy may have their electronic signaling device confiscated and may be subject to disciplinary action.

Reminder: Confiscated devices will either be returned at the end of the school day or returned after the administrator or designee has consulted with the student and/or parents/guardians. Confiscated devices will be available for parent/guardian pick up at the end of the day. Students take financial responsibility for damage or loss of materials ([California Education Code 48904](#)) **prior** to attending any school function or receiving any school related item (i.e. yearbook). Library books should be returned on or before the due dates.

CHOICE

MAKING A MINDFUL AND POSITIVE DECISION WHEN FACED WITH TWO OR MORE POSSIBILITIES

I FOLLOW school and health guidelines.

CLOSED CAMPUS

Chaboya is a closed campus, as are all Evergreen schools. Students must use the entrances on the sidewalk in front of the school or to the east and south of the blacktop and field areas. Students are required to remain on campus during the entire school day. Other than after school activities with the required permission slips on file, students must leave campus immediately after school. Students are also reminded that they are accountable for their behavior on the way to and from home and school, and should stay away from other school campuses.

If students must leave for an appointment during the school day, parents should send a note that morning stating what time the student will be picked up in the office. If someone other than the parent will pick up the student, that needs to be stated in the note, and the name must be listed in ParentPortal. Students will not be released to anyone who is not listed in ParentPortal. We are not allowed to release a child without a parent's written permission.

TRANSPORTATION TO SCHOOL

Students may walk, use private transportation, or ride their bicycles with helmets to get to school. Per safety guidelines, skateboards, scooters, shoes with wheels or other means of transportation are not allowed at Chaboya.

"HOW DO I GET MY STUDENT TO SCHOOL?"

There will be just under 1000 students attending Chaboya this year. In order to get all students to and from Chaboya safely and on time, we strongly recommend the following:

- If you live within walking distance of Chaboya, have your child **WALK TO SCHOOL**
- If you must drive, then form a **CARPOOL** to minimize the number of cars on the roads. **To minimize the traffic congestion, accidents and late arrivals to school:**
 - **Use alternative Drop-Off and Pick-Up locations:**
 - *North of Chaboya: Fowler Park, Mosher Dr., Michelangelo Dr.*
 - *East of Chaboya: Verona Rd. Montierra Pl., Mirage Wy., Monte Verde Ln., Palentino Wy.*
 - *South of Chaboya: Capriana Cir., Montecito Dr.*
 - Drop off your student(s) by 8:00AM. If you attempt to drop off your student(s) in the parking lot after 8:10AM, your student(s) may be tardy, and you will not be able to exit the parking lot for 15-20 minutes due to traffic congestion.
 - After school, encourage your student to meet up with his/her carpool group first, then, walk to the pick-up point together.
 - Be respectful of the surrounding neighborhood. The students should stay on the sidewalks.

CHOICE

MAKING A MINDFUL AND POSITIVE DECISION WHEN FACED WITH TWO OR MORE POSSIBILITIES

I FOLLOW school and health guidelines.

HEALTH OFFICE

For confidentiality, health and safety reasons, the health office is ONLY for students who are ill or injured at school. To support your child's health and safety, **maintain updated medical and emergency contact information in [ParentPortal](#)**. Parents or family members picking up sick/injured children must sign them out in the Health Office Log Book.

MEDICATION REMINDER

State regulations require that all prescribed or over the counter medications necessary to be taken during the school day must be prescribed or approved by the doctor and documented on a school district form or on a physician's form, and signed by the parent on file. Medications must be sent to the school in a prescription bottle or in the original labeled container. Parents requesting that their student carry their medication with them at school must complete the appropriate documentation and must have them on file in the School Health Office prior to a student carrying the medication. Contact the Health Aide with questions.

SAFETY PLAN AND EMERGENCY PROCEDURES

Our school has a comprehensive safety plan in compliance with [Educational Code Section 32280](#). Additionally, we have an emergency plan in the event of an earthquake, fire, intruder on campus, evacuation, etc. Drills are held monthly in preparation of an actual emergency.

ACADEMIC INTEGRITY POLICY

Chaboya Middle School is set on improving the intellectual excellence of all students and maintaining the highest standards and expectations for academic integrity. A teacher's professional judgment guides the implementation of Chaboya's academic integrity policy. Teachers may include in their course syllabus consequences for academic dishonesty relevant to their classroom expectations. Refer to the teacher's course syllabus for classroom expectations.

EXAMPLES OF HOW TO MAINTAIN ACADEMIC HONESTY

- Work independently on exams, tests, quiz, or assignments (unless otherwise instructed by the teacher) and maintain eye contact only on your work.
- Notes or materials during an exam, test or quiz will only be used when instructed to do so by the teacher.
- All work submitted will be one's original content and thoughts.
- Students will reach out for support before an exam in order to know what concepts need to be studied and ensure they have a full understanding of material.
- Electronic devices will be kept stored away in students' backpack during school hours. Students may use the front office phone when needing to call parents.
- Clarify teacher expectations for assignments before collaborating with peers.
- For group projects, all team members will collaborate to complete assignments.
- All submitted work must be completed by the student themselves.
- Students will cite all sources used while completing a project, paper, and assignments.

REINFORCEMENT STRATEGIES FOR BEHAVIOR

- The teacher may meet with the student and contact the parent or guardian by phone or e-mail to review student expectations.
- The teacher may submit a written referral for documentation and will administer action to reinforce positive behavior expectations.

STUDENT RECOGNITION

Throughout the school year, students are formally honored and recognized through the school's social media platforms and in other traditional formats.

HONOR ROLL & AWARDS

Students will be recognized for their academic progress in their Advisory class after the end of each quarter one, two, and three. The annual Spring Honors Awards Ceremony will celebrate students for their year-long, cumulative GPA. Students will receive recognition if they earn a 3.0 GPA or higher for each of the first three quarters or cumulatively without any:

- C-'s, D's or F's in any of their classes

Students will receive a certificate of honor during the ceremony.

At the end of the school year, students may also be recognized by teachers in their classrooms. These awards are given at the teachers discretion.

HONOR SOCIETY

Honor Society students are recognized for their outstanding efforts. In order to be a member of the Honor Society, a student must have all **A's** and **B's** (no C's) in every class during any quarter, and must maintain a 3.5 GPA each quarter. Those students who are in the Honor Society for each of the first three quarters with at least a 3.5 GPA each quarter (all A's and B's, and no N's, U's, or C's), will be eligible to participate in an event at the end of the year to recognize their efforts.

8TH GRADE PROMOTION

The 8th grade promotion is a celebration of your child's accomplishments and marks the important transition to high school. This, however, is a privilege. To maintain the privilege of participating in the promotion ceremony and all other 8th grade grade activities/privileges students must:

- Meet the academic criteria for receiving a promotion certificate by obtaining an overall cumulative 1.5 GPA.
- Maintain positive behaviors on campus. Disciplinary actions for inappropriate behaviors can result in the loss of privileges.
- Maintain positive behavior during promotion practice. Disruptive and/or inappropriate misbehavior during the practice will not be tolerated.
- Attend school regularly. Excessive absences or tardies can result in the loss of privileges.

Regardless of GPA all 8th grade students will be promoted to high school.

Valedictorian and Salutatorian student recognition criteria are being developed. More details to come.

COMPUTING YOUR GPA:

Add all of the individual letter grade point values for each class and divide by the number of classes. Point value is as follows:

A = 4 points B = 3 points C = 2 points D = 1 point F = 0 points

CHANGE

TAKING INTENTIONAL ACTIONS TO BENEFIT MYSELF AND OTHERS

I *CONTRIBUTE* to my school community by identifying solutions to school-related problems.

LOST & FOUND

Lost and found items must be turned in to the front office. Items lost in the locker rooms are located in the P.E. locker room.

POSITIVE INCENTIVES

Students are recognized for their appropriate behavior with assemblies, awards, coupons, certificates, trips, teacher awards, and a variety of other incentives. Community and business donations to help us with this program are greatly appreciated.

CHABOYA KUDOS

Kudos are used as student incentives to acknowledge positive and productive school behavior. Students are acknowledged by teachers and staff for upholding the Chaboya 3Cs with "Kudos." The administration and teachers regularly acknowledge students who:

- make **choices** to be mindful and make positive decisions when faced with two or more possibilities;
- make **choices** to be academically engaged and socially, emotionally, and physically safe;
- challenge themselves to take a **chance** with intentional actions to benefit themselves and others; and
- create a helpful result, or students who create a productive **change** by doing something different in a positive way within their classrooms or community.

Students will collect their Kudos to be used in our student store, opening this year.

POSITIVE BEHAVIORAL

INTERVENTIONS AND SUPPORT (PBIS)

PBIS is a school-wide approach that includes five quality characteristics to enhance school climate:

1. Promote positive behavioral expectations.
2. Teach behavior expectations by modeling what is expected.
3. Reinforce positive behaviors with rewards and praise.
4. Implement consistent consequences for inappropriate behaviors.
5. Utilize restorative practices to support repairing harm for victims, building empathy, and reducing reoccurrence of problems and conflicts.

CHANGE

TAKING INTENTIONAL ACTIONS TO BENEFIT MYSELF AND OTHERS

I CREATE an inclusive environment by collaborating, encouraging, and standing up for others.

GENDER EQUITY POLICY

Chaboya Middle School makes every effort to ensure gender equity. All facilities, classes, awards, and extracurricular activities are made available and are open to all students. Our physical education program is co-educational. Students are encouraged to join clubs, and to participate in school wide activities without regard to gender.

REPORT BULLYING

Bullying and cyberbullying is serious and will not be tolerated. The [Colts Helpline](#) can be used to report alleged bullying that occurs on school property, at a school-sponsored event off school property, on a school bus, on the way to and/or from school, or online through social media during school hours. If you are a student, parent or guardian, teacher, or other staff member and wish to report an incident of alleged bullying, complete the entire online form and respond only to questions that you feel comfortable answering and are able to answer accurately. Students may choose to include their name on the form or may submit the form anonymously. Please note that the school's and district's ability to investigate an anonymous complaint may be limited, and the district prohibits retaliation against anyone who files a bullying report. Information shall remain confidential unless the student is going to harm themselves or others.

If a crisis develops outside of the school day and immediate safety is at risk, then parents or students should call 911 immediately. Parents can also contact Uplift Family Services for further support as necessary (24 hour home community support) Mobile Crisis Program (408) 379-9085 or 1-877-412-7474; Santa Clara County Suicide & Crisis Center 1-855-278-4204; National Suicide Prevention Lifeline 1-800-784-2433; Crisis Text Line #741741.

REPORT UNSAFE BEHAVIOR

Unsafe behavior includes verbal and physical bullying, cyberbullying, harassment, weapons on campus, and any action that can cause harm to oneself and/or others. All students need to report actions and behavior that cause personal discomfort in the classroom, on school property, and through online interactions during school hours. If a student is not sure whether a situation is considered unsafe, the student should speak with a teacher, administrator, counselor, parent, or trusted adult. Talking with a trusted adult can help a student decide what to do. Email [Ms. Fernandez](#), for help.

All forms of fighting or conspiracies to fight are strictly prohibited and will result in consequences that may include suspension or expulsion. Students who "arrange" for other students to fight will also face severe disciplinary action. Recording, sharing, and/or posting a video/pictures of a fight will result in disciplinary action and possible law enforcement involvement. This includes walking to and from school.

UNIFORM COMPLAINT PROCEDURES

The Evergreen School District shall investigate and seek to resolve complaints at the local level. The district follows uniform procedures when addressing complaints alleging unlawful discrimination or failure to comply with state or federal law in programs for consolidated categorical aid, migrant education, child nutrition, special education, adult basic education, vocational education, and child care & development. Contact the Superintendent or designee, if you have a question concerning noncompliance on any of the programs listed. After receiving the district's decision regarding a complaint, appeal procedures are available to the California Department of Education. Complainants may use any civil law remedies that may be available. (BP/AR 1312.3)

STUDENT ATTIRE

Appropriate and modest attire is expected at school. Students should be comfortable without distraction.

- Undergarments **cannot** be showing under any circumstances. If clothing is not worn correctly, it must be corrected or parents will be contacted.
- Sleepwear and blankets are **not** to be worn (Exceptions on verified Spirit Day).
- Hats or hoodies are allowed **IF** worn appropriately on campus, but are subject to individual classroom policies. Face and ears must be visible to school staff.
- **NO** profane, vulgar, sexually suggestive, violent, drug, alcohol, tobacco or gang-related clothing are allowed. The following brands are inappropriate for school: Cookies, Playboy, and Kappa. Students identified wearing these brands will be asked to change their clothing. This list of brands is not exhaustive.
- Items such as backpacks belts and belt buckles will also be monitored. Inappropriate words, designs or anything causing a distraction may be confiscated and could lead to disciplinary action.

With the ever changing fashion trends, it is difficult to have a comprehensive list of acceptable attire. The school administration reserves the right to deem certain articles of clothing inappropriate even if not outlined in this handbook. The school administration reserves the right to individually forbid a student from wearing any attire, logos, symbols, or insignias including excessive clothing color, that is determined to create a hostile environment or distracts from learning. The student attire guidelines shall apply to regular school days, as well as any school-related events.

CLASSROOMS

Each classroom teacher is allowed to set guidelines and policies for his or her individual classroom. Violations of these policies may result in assigned reflection time or other consequences.

Social Media

Any items published on social media having negative effects on our school climate will be handled by school administrators and/or law enforcement agencies if necessary. This includes negative activity done at home. Posting on, making comments or accessing social platforms during the school day is not allowed and violations of any kind will result in disciplinary action.

CHANGE

TAKING INTENTIONAL ACTIONS TO BENEFIT MYSELF AND OTHERS

COUNSELING

Many times parents look to the school for assistance with personal or family situations which cause students to experience difficulties at school. Referrals for students, and in some cases, family counseling, may be made with or through the assistant principals and school counselor. Please go to our [school website](#) to make a referral.

Suggestions for referrals to outside agencies are also available through the assistant principals, counselor, social worker, or school psychologist. If a crisis develops outside of the school day and immediate safety is at risk then parents should call 911 immediately. Parents can also contact Uplift Family Services for further support as necessary (24 hour home community support) Mobile Crisis Program (408) 379- 9085 or 1-877-412-7474; Santa Clara County Suicide & Crisis Center 1-855-278-4204; National Suicide Prevention Lifeline 1-800-784-2433; Crisis Text Line #741741.

REFLECTIVE QUESTIONS

To help you understand how your actions impact others, ask yourself:

1. What happened?
2. What were you thinking at the time?
3. What have you thought about since?
4. Who has been affected by what you have done? In what way?
5. What do you think you need to do to make things right?

CONSEQUENCES FOR UNWANTED STUDENT BEHAVIOR

Students who do not behave appropriately at Chaboya may expect the following:

- Reflective Questions
- Learning Workshops
- Phone calls home
- Letters to parents
- Teacher Detentions. These are arranged by individual teachers, which can take place any day of the week.
- "U's" in behavior and/or citizenship on their progress reports and report cards
- Referrals to an administrator
- Community service
- Behavioral contracts
- Administrative Detentions.
- School Attendance Review Board (SARB) referrals
- Suspensions, expulsions, or referrals to additional support students

Students participating in learning workshops at lunch time must work quietly. Personal needs such as eating, drinking, and using the restroom will be provided to during the designated time. Failure to attend/complete any consequence will result in further disciplinary action.

CALIFORNIA LAW

Every student shall attend school punctually and regularly, follow school rules, obey all directions of the staff, work diligently, behave appropriately, and respect those in authority. (CA Administrative Code 300).

1. Those students who continue to defy school authority by word or act, or who commit an obscene act or engage in habitual profanity, are subject to disciplinary action (Ed. Code 48900).

7. Suspension, including supervised suspension as described in Section 48911.1, shall be imposed only when other means of correction fail to bring about proper conduct, except when that the pupil's presence causes a danger to persons (Ed. Code 48900.5). Examples of "Other means of correction" include:
 - Restorative Practices
 - Community Service

LUNCH TIME / MATERIALS DROP OFF LIMITATIONS

Students are responsible for bringing their materials and lunches to school every day. Parents/caregivers may deliver lunch or school items to students at break or lunch only; students will not be called out of class to pick up any items. **Food deliveries by anyone other than a parent or caregiver are not allowed. Deliveries by companies such as DoorDash, Uber Eats, etc. will not be accepted.** Items delivered by a parent/caregiver may not be left in the front office. Unclaimed items are donated at the end of each month to a nonprofit organization.

In addition to the lunch and breakfast menus published monthly, hot entrees, snacks, and milk are served in the cafeteria. Students will receive a free breakfast and lunch every day school is in session. CHABOYA VALUES

Chaboya Middle School is an academic community built upon universal expectations, which we call the 3Cs. The 3Cs represent the core values that a Chaboya student should display at all times: Choice, Chance, and Change. Parents and guardians are encouraged to reinforce the core values at home and in other learning environments.

CHAPTER 2

CHOICE: ALWAYS BE PREPARED, EMPATHETIC, AND SAFE

CHABOYA MIDDLE SCHOOL EMERGENCY PREPAREDNESS PLAN 2024-2025

INTRODUCTION

Each staff member must become familiar with the actions that need to be taken in an emergency. Most disasters can be managed effectively when all staff involved know their specific responsibilities. The key is preparedness. Eliminating possible hazardous situations and being aware of how to react before the emergency occurs can save lives. The responsibility for the safety of staff and students is a serious concern. We must all take the necessary steps to be effective, contributing members of the school's disaster preparedness plan.

In the event of an emergency, the highest person on the chain of command (listed below) announces implementation of one of the standard emergency actions: LEAVE BUILDING/FIRE; DROP; TAKE COVER; LOCK DOWN; DIRECTED TRANSPORTATION. Explanations of each of these actions follow.

All staff on campus will respond in the event of an emergency, regardless of whether or not they are on duty. All staff will report to their emergency assignments. **Staff not on duty (PREP) report to the command center (On the blacktop above upper field).**

CHAIN OF COMMAND

Unless stated otherwise, the chain of command shall be as follows:

1. Michal Nozik, Principal

THE PRIMARY DUTIES OF DISASTER SUPERVISION INCLUDE:

1. Roll taking.
2. Reporting missing students to the command post. (Blacktop area).
3. Acquiring first aid for the injured.
4. Alleviating emotional trauma.
5. Restoring order.

EMERGENCY SIGNALS

Emergency actions will be signaled through the following devices and/or by verbal instruction:

DROP	Onset of disaster or announcement
TAKE COVER	Civil Defense siren or announcement
LEAVE BUILDING/FIRE	Fire alarm and flashing strobes
LOCKDOWN	ANNOUNCEMENT OF “GO TO COLTS”
DIRECTED TRANSPORTATION	Announcement

In the case of an electrical failure or the inability to activate the mechanical systems or PA system, all commands will be given verbally by portable megaphone or word of mouth.

RESPONSE TO AN EMERGENCY SITUATION

Staff members should remember that in times of stress, students look for leadership to those who are normally in an authoritative position. Remain calm, size up the situation and take action based on known facts. Staff should recognize symptoms of tension and be prepared to provide relief through physical and creative activities.

- A. All staff members must be thoroughly familiar with the contents of this plan and how they are expected to contribute to the school’s response.
- B. Teachers must keep a seating chart, grade book, or roster of students in their rooms at all times in order to take roll in an emergency.
- C. Staff must notify the front office whenever leaving campus during normal working hours in order to facilitate staff attendance in the event of an emergency.

If telephone lines are operative, outgoing calls should be minimized to free up lines for emergency use. If lines are down, administrators will use cellular phones or district walkie-talkies to contact appropriate persons.

EMERGENCY ACTION GUIDE

In response to an emergency situation, the administrator in charge may implement one of the following emergency actions:

1. DROP

DROP means to assume the personal protective safety position. Inside, this position involves kneeling under a desk or table with your back toward glass, one hand wrapped around the back of the head, and one hand holding on to the desk or table. Eyes should be closed, the face should be shielded in the lap, and the body should be as small as possible. Outside of class, the **DROP** position should be assumed only after moving away from a building. In the event of an enemy attack, one should **DROP** immediately, cover as much skin as possible, close eyes and cover ears.

The warning will most likely be the onset of the disaster itself.

Action **DROP** is considered appropriate for, but not limited to, the following:
DROP signal, severe windstorm, earthquake, explosion, or surprise attack.

2. TAKE COVER

TAKE COVER means to take shelter in shielded areas within the school. In the academic buildings, office, and gym, this would be as close to the center of the building as possible and away from windows.

The warning will be by Civil Defense siren, or by an announcement in case of a local emergency.

Action **TAKE COVER** is considered appropriate for, but not limited to, the following:
TAKE COVER signal, nuclear attack/war, explosion or threat of explosion, fallen aircraft or severe storm/flood.

3. LEAVE BUILDING/FIRE

LEAVE BUILDING means to effect the orderly movement of students and staff from inside the school buildings to the designated outside emergency assembly area. This action should be implemented when anything occurs which might make the school uninhabitable.

The warning will be disseminated by activation of the fire alarm or by voice command.

4. LOCK DOWN

LOCK DOWN means to bring students into the classroom or to hold students in the classroom pending receipt of further instructions. All doors and windows should be locked upon receipt of this action. Students and staff assume the **DROP** position and stay away from windows. The administration will notify the police and district office and work cooperatively with all responding agencies.

Action **LOCK DOWN** is considered appropriate for, but not limited to, the following: air pollution warnings, chemical/biological accidents, war, civil disturbance or violent behavior.

5. DIRECTED TRANSPORTATION

DIRECTED TRANSPORTATION means to implement the loading of students and staff into school buses and/or other means of transportation and taking them to an area out of danger.

Warning at the school will be by announcement.

SPECIFIC DIRECTIONS FOR SELECTED EMERGENCY CONDITIONS

SHELTER IN PLACE

Shelter in place is for situations where there is no immediate threat. This includes a dangerous incident in the surrounding neighborhood. It could be a dangerous incident at a nearby school. Finally, it could include any situation where keeping students inside is the safest alternative. Staff and students can continue their day-to-day activities indoors.

1. Stay calm, gather students indoors.
2. Close and lock all entrances to the classroom or building where staff and students are located.
3. Shut windows, drapes and blinds.
4. Administrators will keep staff and students updated as the information becomes available.

There may be a shelter in place from a hazardous outside environment. If a radiological, chemical, or biological emergency occurred, local authorities may direct you to shelter-in-place.

If so, do the following:

#1-4 above

5. Turn off all fans, heating and air conditioning systems.
6. Cover nose and mouth with a damp cloth
7. Gather disaster supplies and battery-powered radio.
8. Go to an interior room ideally without windows. If there is a chemical threat, a room above ground is preferable.
9. Use duct tape (wet towels if you don't have duct tape) to seal doors, exhaust fans, vents, and windows.
10. Wait for instructions on next steps.

FIRE

1. Activate the fire alarm system. This automatically implements “**ACTION LEAVE BUILDING**”.

6. Shut off gas and electric service when directed by the administrator in charge.
7. The administrator in charge will determine if any further action should be implemented.
8. Staff and students will not re-enter school buildings until Fire Department officials declare the area is safe.

EVACUATION PROCESS

1. When ground stops shaking ERT's will begin the evacuation process.
 - a. E.R.T. members will evacuate their students to a safe outside location, and immediately evacuate the closest classroom and leave their students and class list with that teacher.
 - b. E.R.T. members will evacuate classes individually from buildings, 3 to 5 students at a time.
 - c. Staff and students will stay in the safe position until an E.R.T. member gives them directions.
 - i. Teachers will immediately take the roll of students while they stay in the safe position and assess injuries and/or damage to their rooms.

2. E.R.T. members will notify the administration when their building is evacuated.
3. E.R.T. members will report to the assembly area and collect the copy of the Emergency Reporting Form from their assigned teachers.

1. Students and staff will **DROP** into a safe position away from buildings and remain there until the shaking stops.
2. Students and staff will move in an orderly manner to the assembly area and gather in their assigned spot with their **Advisory period class** members.
3. Teachers will take roll and maintain control of their students until given further directions by an administrator.
4. Roll sheets will be picked up by administrators from the assigned ERT.

2. Get as much information as possible from the caller. Ask the caller where the bomb is located, the time it is scheduled to explode, what the bomb looks like, and why the bomb was placed in the school.
3. Attempt to verify the sex of the caller, approximate age, voice quality, accent, peculiar speech mannerisms, exact time call was received and background noise.
4. Immediately after the caller hangs up, report all information to the administrator in charge who will relay it to the police. The administrator in charge will determine if the school is to be evacuated.
