**** Alternative Method of Instruction (AMI) days (virtual learning) will be used for the first 5 inclement weather days. Additional inclement weather days will be added to the end of the year as needed. (Average number of snow days in the last 5 years is 6 days.)**

Missouri State statute requires districts to meet a minimum of 1,044 student hours of instruction a year.

The District strongly recommends that parents/guardians and employees refrain from making vacation and other travel plans without considering the possibility that the school term will end later than anticipated due to required make-up hours.
