

# Chromebook Checkout Form

All JMS students will be assigned a GCPS Chromebook and power cord for the 2024-2025 school year. Chromebooks are for use at school and home. Students are responsible for bringing their charged Chromebook and power cord to school every day.

Students are responsible for the care and proper maintenance of their Chromebook. Any issues with the Chromebook should be reported to the school immediately.

I understand that by checking out this Chromebook, I am accepting responsibility for its care and I will be charged for any damages accrued while the device is assigned to me/my student. I understand that students must follow the GCPS Acceptable Use Policy and use the Chromebook only for school purposes.

Please note that incidents of damage or loss do not reset each school year. **Fees are effective July 1, 2024:**

Equipment	Loss	Damage
Chromebook	Any lost device: \$200 (No cost with a police report for stolen item)	Damage: \$25
Accessories (Power Adaptor)	Lost accessories replacement fee: \$25	Damage: \$25
