## School of Choice

The School of Choice application process for the 2025-26 school year will open at **10:00 A.M. on Friday, Jan. 10th** and close at **4:00 P.M. on Friday, January 24th**. School of Choice is an application process for families who wish to send their children to a D51 school outside their neighborhood attendance boundaries. The process is not for schools with their own application/enrollment process, such as alternative options, programs, or charter schools.

If you would like to participate in the School of Choice application process, you will need a ParentVUE account. If you do not have one, please contact your school. The application for School of Choice will become available at 10:00 A.M. on January 10th at [d51schools.org/schoolofchoice](https://d51schools.org/schoolofchoice). Your application will be time-stamped and spots will be awarded based on availability on a first come, first served basis. Principals will notify families whether their application has been accepted or denied starting January 29th. Visit [d51schools.org](https://d51schools.org) or call 970-254-5311 to learn more.
