WHEN AN INCLEMENT WEATHER REMOTE DAY IS CALLED

- At the appropriate time for your Office Hours meets on a snow day, open your Meet by clicking on your google waffle, opening Meets, and [typing the nickname](#) into the Nickname bar. Then click join and your students can access you.
- Upon conclusion of the Meet, be sure to click "END MEETING FOR ALL" to prevent students from continuing the meet without you (apparently this has been a problem in some buildings).
