

Description of Activities / Session III (1-12)

1-**LEGOS 4 KIDZ Club**: (Tuesday) Come join us in building high quality, educational play that builds self-confidence and problem-solving skills. Every class is a fun, enriching experience for your child that fosters teamwork and collaboration. It also sparks imagination in a safe enriching environment where your child will expand their creativity and imagination. Legos will be provided BUT if your child chooses to bring their own Legos, the school will not be responsible for lost or misplaced Lego pieces. Popcorn will also be provided. Come join the classic bricks loved by generations of children. Limit: 20 students (Mr. Bogacz)

2-**Fitness Club**: (Wednesday) Would you like to learn new ways to use the exercise equipment in the wellness room? This club is designed to not only get students active, but also to help promote healthy living and physical fitness in a fun and positive environment thus increasing our students' health as well as their self-esteem. Come exercise, get fit, hang out and have some fun! Limit: 16 students (Mrs. Kennedy/ Ms. Goldberg)

3-**Computers & Gaming Club**: (Tuesday) This club is for fans of all computer and console-based games, as well as those interested in learning more about computers and the internet. Students who are fans of particular game series, ex: Super Smash Brothers, Mario, Minecraft, etc., are welcome to join and play with other like-minded students, while learning more about related topics. Members will learn and teach each other terminology, rules, and advanced techniques. In addition, students will learn tips and tricks with computers and the internet that will help them be successful, both on school assignments and at play, Students interested in playing console games are responsible for bringing in any console/games/equipment/controllers where they will be locked up in a safe place until the club meets. Monitors/computers will be available to all those who join. Limit 16 students. (Mr. Klasek)

4-**Too many cooks in the kitchen! - Cooking Class**: (Thursday) Have you ever wanted to learn how to cook or wanted to explore some new recipes? Then this is the club for you! Start your culinary adventure by joining today! Learn the tricks of the trade and the fundamentals of cooking to become a kitchen wizard. Best of all, you will be able to sample what you make! **Caution - Food Allergy** - Various cooking ingredients will be used in this club. If you have a food allergy, you **MUST** use caution when signing up. **Higher fee due to supplies. First come first serve for this club so don't wait!** Limit: 18 students (Ms. Ducharme & Mr. Bogacz)

5-**Ultimate Games Club**: (Wednesday) This activity will take place indoors and outdoors (if weather allows). Structured popular weekly activities will take place such as pickleball, capture the flag, flag football, homerun derby, floor hockey, basketball and a few others will be played. This program is fun, competitive, and open to all students with different athletic backgrounds. Sneakers are required to participate. Come put your skills to the test and have some fun! (Mr. Bogacz) Limit: 30 students

6-**Art Club**: (Wednesday) Students will have time for individual exploration of creative processes through the use of drawing materials, as well as some paint and clay use. Material focus will vary from week to week and there will be some group lessons as well as individual time for sketchbook drawing and art journaling. Students should bring their own pencils, sketchbooks or notebooks for drawing/doodling if so desired. Paint/clay will be provided by the school. Limit 15 Students (Mr. Wilhelm)

7-**Jewelry Making Club**: (Thursday) Come be creative and join others in making earrings, bracelets, and other ideas for jewelry. We will be using clay beads, some seed beads, as well as a few other types to give your jewelry that personal touch. See you there! Limit 16 Students (Ms. Bros)

8-**Floor Hockey Club**: (Thursday) Whether you are a beginner or advanced this club offers you the opportunity to learn a new sport. Come show off your stick handling and goal scoring skills! This is a zero-contact activity, and no skating skills are required. This club will provide a competitive form of athletic conditioning as well as providing a platform to further everybody's knowledge of the intricate rules of the game. Come showcase your athletic skills and have some fun. Equipment will be provided. Limit 16 Students (Mr. Bourque)

9-**Board Game Club**: (Tuesday) Come join this recreational activity where students can gather after school to play a variety of board games, fostering social interaction, strategic thinking, and problem-solving skills while having fun with peers, all within a supervised environment; open to students of different skill levels, allowing them to learn new games and connect with others who share a similar interest in tabletop gaming. Limit 12 students (Ms. Ducharme)

10-**Movie Club**: (Tuesday) Movie club is centered around watching quality films. Through movie club students are provided the opportunity to be part of something fun, creative, and sociable while enhancing their analysis skills to better understanding the film and filmmaker's intentions. Movies selected are typically award winning and rated accordingly for middle school viewers. Students will have the opportunity to share reviews. Food and beverages are encouraged. Popcorn will be provided for your enjoyment so come have some fun!
Limit: 20 students (Varied Teachers)

11-**Basketball Club**: (Tuesday) Get together with friends and play some competitive basketball! This club is designed to teach young participants about basketball skills, sportsmanship, and team concepts. Each week students will focus on doing fun drills, activities, and games to improve dribbling, passing, and shooting skills. Athletes will also play some 3 vs 3 games as well as some full court 5 vs 5. Never played? Not a problem! We will also play activities that can be modified to challenge all levels. Whether you want a space to work cooperatively and focus on improvement or space to compete with your friends, this club will get everyone involved. Come have some fun! Limit: 16 students (Mr. Diaz)

12-***Homework Club***: (Tuesday, Wednesday, Thursday) Students will have the opportunity to complete their homework in a quiet atmosphere where your child will have access to a variety of teachers available for assistance. Our mission statement for the homework club is to reinforce students' skills and self-esteem. Our staff will work to better prepare the students and help them to achieve their potential.
No limit (Mr. Morrison)

MESMS has a Gay Straight Alliance called *Spectrum*, open to all students! Straight, gay, lesbian, transgender, and questioning students will get to know one another and work to make MESMS a supportive and fun environment for all. The group will be supported by Ms. Gardner and Mrs. Cirone

Spectrum will meet Wednesdays before school, starting at 7:30am, in the Student Support Center. Please email Ms. Gardner (sgardner@shschools.com) or Mrs. Cirone (lcirone@shschools.com) with any questions.
