Who We Are: A partnership between volunteer parents and guardians of Lakeaires students and Lakeaires faculty and staff.

Our Work: Plan and facilitate family, school, and community activities as well as raise and manage funds to:

- enhance children's learning environment
- increase available children's literature
- provide classrooms with current and new technology
- provide education through theater, arts and field experiences
- provide additional classroom support

*PTO Meeting
Childcare Support*
We have a high school volunteer who will be there at the beginning of the meeting and will leave after 10 minutes if there are no kids*

More Volunteer Opportunities

We are trying to engage more parents. We have a small core group of volunteers we are looking to expand. This is a great way to get to know other parents, and the parents of your child's friends. Please reach out to jennafer.l.williams@gmail.com if you did not turn in the paper flyer. We will be asking for support with Heggies distribution, Culvers nights, Blizzard Blast, Summer Send off, and other non event opportunities.

Blizzard Blast

Blizzard Blast is one of our biggest fundraiser events of the year. We will be asking for donations by grade for baskets to be raffled off. We are also asking community organizations to donate for silent auction. If you are or know of a business/ organization that could donate to our cause please reach out to them, or let us know so we can reach out to them.

Do you know of a balloon artist that would be willing to donate their talent and time? We are in need of one!

This flyer was put together by the PTO, not an official communication from Lakeaires or WBL school district. Things are subject to change. Follow the PTO facebook page for most recent updates.

Calling All Food Truck Vendors!

Do you know a food truck that serves delicious eats and is looking for opportunities to showcase their food? We're currently seeking food truck vendors for our upcoming event! If you know a vendor who would love to be part of a great community event, please reach out to us.

Heggies Pizzas

We will once again be selling Heggies Pizzas. Order forms will go home January 2 and will need to be turned in January by 16. Pick Up will be February 4, 2025. All Pizzas have to be picked up, there is nowhere to store the pizzas at the school.

We Need Your Support!

In these challenging times, our donations and fundraising events have fallen short, leaving us well below our budget goals. Our meeting minutes have the specifics - check them out online or come to a meeting.

As a result, we are at risk to continue providing the vital services and support that Lakeaires relies on without your help. Staff Allotments had to be cut drastically and we are looking at canceling some other programs such as Scholastic and Brain Pop.

We urgently need your generosity to get back on track. Your donations, big or small, can make a real difference and help us continue our important work. Please consider contributing today or joining us at our upcoming fundraising events.

Thank you for your support!
