my children walking in the truth. 3 John 1:4*

MISSION

Proclaiming Jesus Christ Through Excellence in Education

OVERVIEW

Crean Lutheran Academy is a Christ-centered preparatory program designed to provide students with a foundational year that emphasizes both academic excellence and physical development. Anchored in Crean Lutheran High School’s mission of “Proclaiming Jesus Christ Through Excellence in Education,” the Crean Lutheran Academy prepares students for a successful high school journey. Courses include theology, science, English, mathematics, and leadership, coupled with elective offerings. The high school preparatory curriculum offers a flexible online component, which allows students sufficient time for sport-specific, agility, speed, and strength training. Students are further supported through a well-rounded meal plan designed by a sports nutritionist.
