

Holmes Middle School Boys' Basketball Tryout Information

Dear Athlete and Parents:

Callback Tryouts

4:00-5:30pm: All Grades

The first area in which all students and parents should be aware, is the time commitment involved in competitive teams. Practices are every day and daily attendance is required. The majority of practices for B squad will be 7am-8:30am. The majority of A squad will be 4pm-5:30pm. Games will be after school.

We ask that all players come no earlier than 10 minutes before their practice time and all rides be waiting at the end of practice.

There is an athletic fee of \$25.00 for those boys making the basketball team (due after team selections, but before first game). Holmes will have two teams, each made up of 12-14 players. 8th graders can only make the A-Squad Team. 6th and 7th graders can make either Squad.

All tryouts will be for the coaches and players only. We ask that there be no parents or friends in the gym. This will eliminate distractions for everyone.

More information on practice times will be given to those students who make the team.

Good luck at tryouts.
