

# 2025 Camp CLA General Information

## Sessions

On a weekly basis, your child may attend a morning session OR an afternoon session OR attend both sessions for a full day. So, you have the choice between half days or full days on a weekly basis. Also, we need at least 8 campers to hold the camp session. So, if a session is cancelled due to low numbers, you will be able to move your child to another camp or receive a full refund.

## Extended Care

On a weekly basis, extended care is available for 3:00-5:00 for \$100 a week.

## Admission

Camp CLA is open to campers from all schools that are at **least four years old by June 1, 2025.**

## Food at Camp

Campers should bring a snack for each session, a water bottle with their name on it, and a lunch if they are a full day camper. You will be able to note any food allergies when you sign up.

## Health and Wellness

You will be able to fill out a health form when you sign up for camp, and you can list any allergies we should be aware of during camp.

## Camp Counselors

Camp counselors are experienced teachers that are familiar with CLA. You are welcome to walk your child to their camp class on the first day of camp to meet the counselors.

## Year Round Contracts for Camp

If your child is on a year round contract for the 2025 summer camp, then you will need to register personally with Jennifer Russell at [jrussell@creativelearningacademy.org](mailto:jrussell@creativelearningacademy.org).

## Drop Off and Pick Up
